A. **Findings and Conclusions.** The findings and conclusions set forth herein constitute the Court's findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052, made applicable to this proceeding pursuant to Bankruptcy Rule 9014. To the extent any of the following findings of fact constitute conclusions of law, they are adopted as such. To the extent any of the following conclusions of law constitute findings of fact, they are adopted as such.

B. **Jurisdiction.** The Court has jurisdiction to hear and determine the Motion and to grant the relief requested in the Motion pursuant to 28 U.S.C. § 1334 and the Amended Standing Order of Reference from the United States District Court for the Southern District of Texas, dated May 24, 2012. Without limiting the generality of the foregoing, this Court has exclusive *in rem* jurisdiction over the Purchased Assets pursuant to 28 U.S.C. § 1334(e), as such Purchased Assets are property of the Debtors' chapter 11 estates, and, as a result of such jurisdiction, this Court has all necessary power and authority to grant the relief contained herein. This is a core proceeding within the meaning of 28 U.S.C. § 157(b), and as such, this Court has the authority to enter a final order.

C. **Venue.** Venue of these chapter 11 cases and the Motion in this district is proper under 28 U.S.C. §§ 1408 and 1409.

D. **Statutory Predicates.** The statutory and legal predicates for the relief requested in the Motion are sections 105, 363, and 365 of the Bankruptcy Code, and Rules 2002, 6004, 6006, 9007, 9008, and 9014 of the Bankruptcy Rules, and the Complex Case Procedures.

E. **Global Bidding Procedures.** On June 3, 2024, the Court entered the Bidding Procedures Order, among other things, (i) approving the Global Bidding Procedures (as defined in the Motion); (ii) authorizing the Debtors to designate one or more stalking horse bidders and offer each such stalking horse bidder certain bid protections as set forth in the Global Bidding Procedures; (iii) scheduling Auctions of the Assets (each as defined in the Motion), (iv) scheduling Sale Hearings to consider the sale of the applicable Assets, (v) authorizing and approving (1) notice of Auctions, sales of the Assets, and the Sale Hearings, substantially in the form attached to the Bidding Procedures Order as Exhibit 2 (the “**Sale Notice**”); and (2) notice to each non-Debtor counterparty (each, a “**Counterparty**”) to an executory contract or unexpired non-residential real property lease of the Debtors that the Debtors propose to assume and assign to a particular successful bidder setting forth the Debtors’ calculations of the amount necessary to cure any monetary defaults under such Assigned Contract (the “**Cure Costs**”), substantially in the form attached to the Bidding Procedures Order as Exhibit 3 (the “**Cure Notice**”); (vi) authorizing and approving procedures for the assumption and assignment of the Assigned Contracts and determination of Cure Costs with respect thereto (collectively, the “**Assumption and Assignment Procedures**”); and (vii) granting related relief. The Global Bidding Procedures were substantively and procedurally fair to all parties and all potential bidders and afforded notice and a full, fair and reasonable opportunity for any person to make a higher or otherwise better offer to purchase the

Purchased Assets. The Debtors conducted the sale process of the Purchased Assets without collusion and in accordance with the Global Bidding Procedures.

F. Notice and Opportunity to Object. As evidenced by the certificates of service previously filed with the Court (Docket Nos. 774, 858, 1035, 1129, 1161, 1648, 1891, 2612, 2622, 2747, 2749, and 2856), and as demonstrated by the evidence presented at the sale hearing, proper, timely, adequate, and sufficient notice of the Motion, the contracts to be potentially assumed and assigned in connection with the Sale Transactions, including the Assigned Contracts, the sale hearing, the Sale Transactions, and the deadlines related thereto was provided in accordance with sections 102(1), 363, and 365 of the Bankruptcy Code, and Bankruptcy Rules 2002, 6004, 6006, and 9014 and in compliance with the Bidding Procedures Order, to each party entitled to such notice, including, as applicable: (a) the Office of the United States Trustee for the Southern District of Texas; (b) counsel to the Junior DIP Lender, Prepetition MPT Secured Party, and MPT Lessors, KTBS Law LLP, 1801 Century Park E #2600, Los Angeles, California 90067 (Attn: Thomas E. Central Ave Suite 1800, St. Louis, Missouri 63105 (Attn: Thomas Riske, Esq.); (h) the Debtors' 30 largest unsecured creditors (on a consolidated basis); (i) all entities known to have asserted any Lien, Claim, Encumbrance or Interest in or against the Purchased Assets; (j) all entities that have, to the best of the Debtors' management and advisors' knowledge, expressed written interest in consummating each Sale Transaction with respect to the Purchased Assets within the past twelve (12) months; (k) all other known parties with any interest in the Purchased Assets; (l) all known creditors of the Debtors, including contract counterparties; (m) the Securities and Exchange Commission; (n) the Internal Revenue Service; (o) all other applicable government agencies to the extent required by the Bankruptcy Rules or the Local Rules; (p) all state attorneys' general in states where the Purchased Assets are located; (q) all affected federal, state, and local regulatory and taxing authorities; (r) those parties entitled to notice pursuant to Local Rule 9013-1(d); and (s) those persons who have formally appeared in these chapter 11 cases and requested service pursuant to Bankruptcy Rule 2002. With respect to entities whose identities are not reasonably ascertained by the Debtors, publication of the Sale Notice (as defined below) in the *Boston Globe*, *Houston Chronicle*, and *New York Times*, and on June 19, 2024, in the *Arizona Republic*, *Florida Today*, *Indian River Press Journal*, *Miami Herald*, *Midland Reporter-Telegram*, *South Florida Sun Sentinel*, *Texarkana Gazette*, and *Youngstown Vindicator* on June 20, 2024, and in the *Monroe News-Star* on June 23, 2024, and on the website maintained by Kroll Restructuring Administration LLC, the Debtors' claims and noticing agent in these chapter 11 cases, located at <https://restructuring.ra.kroll.com/Steward> on June 5, 2024, as evidenced by the *Certificate of Publication* (Docket No. 1161), was, and is deemed, sufficient and reasonably calculated under the circumstances to reach such entities. The notices described above and in the Motion and

Bidding Procedures Order were good, sufficient, and appropriate under the circumstances and reasonably calculated to reach and apprise all known and unknown holders of the Liens, Claims, Encumbrances, and Interests, and no other or further notice of the Motion, the Sale Transactions, the sale hearing, the potential assumption and assignment of the Assigned Contracts, or the related Cure Costs is, or shall be, required.

G. Service and publication of the Sale Notice (as defined below) was provided to all parties in interest, including those with alleged approval or consent right or anti-assignment provision (including a provision that purports to give termination rights to a contract counterparty on account of the sale, disposition, transfer, or closure by the Debtors of the Debtors' property or assets) contained in an Assigned Contract ("Consent Rights") with a reasonable and adequate opportunity to object.

H. The Sale Notice, substantially in the form attached to the Bidding Procedures Order as Exhibit 2, and MLI Hospital Sale Notice provided all interested parties with timely and proper notice of the Sale Transactions, Bid Deadline, and sale hearing. A reasonable opportunity to object and/or to be heard regarding the relief granted by this Order has been afforded to those parties entitled to notice pursuant to the Bankruptcy Code and the Bankruptcy Rules. Accordingly, no further notice of the Motion, the MLI Hospital Sale, the Sale Transactions, or the sale hearing is necessary or required.

I. The Debtors served the Cure Notice, substantially in the form attached to the Bidding Procedures Order as Exhibit 3, and the Supplemental Cure Notices (as defined in the Motion) on all parties required to receive such notice under the Bidding Procedures Order, and such parties have been afforded a reasonable and fair opportunity to file an objection to the assumption and/or assignment of any Assigned Contracts, including any proposed Cure Costs set

forth on the Cure Notice (each, a “**Cure Objection**”) and to the provision of adequate assurance of future performance by the Buyers (each, an “**Adequate Assurance Objection**”, and together with a Cure Objection, a “**Contract Objection**”).

J. The notice described in the foregoing paragraphs is good, sufficient, and appropriate under the circumstances, and no other or further notice of the Motion, the Global Bidding Procedures, the assumption and/or assignment of the Assigned Contracts, the sale hearing, the Sale Transactions, the Cure Costs, the deadlines to submit Contract Objections, the deadline to submit objections to the Sale Transactions, and all other deadlines related thereto is or shall be required.

K. **Assets Property of the Estate.** The Purchased Assets sought to be sold and assigned by the Debtors to the applicable Buyer pursuant to each of the BSAs are property of the Debtors’ estates and title thereto is vested in the Debtors’ estates.

L. **Sufficiency of Marketing.** As demonstrated by the Motion, the Sale Declarations, and the evidence set forth at the sale hearing, the Debtors and their professionals adequately marketed the Purchased Assets and conducted the marketing and sale process as set forth in and in accordance with the Motion and the Global Bidding Procedures and conducted a fair and open sale process. The sale process and the Global Bidding Procedures were non-collusive, duly noticed, and provided a full, fair, and reasonable opportunity for any entity to make an offer to purchase the Purchased Assets, and the process conducted by the Debtors pursuant to the Bidding Procedures Order obtained the highest or otherwise best value for the Purchased Assets under the Global Settlement, and there was no other transaction available or presented that would have yielded a higher or better result for the Purchased Assets. Based upon the record of these proceedings, all creditors and other parties in interest and all prospective Bidders have been

afforded a reasonable and fair opportunity to bid for the Purchased Assets, or file a Contract Objection and/or an objection to the Sale Transactions. The marketing process undertaken by the Debtors and their professionals and each of their respective agents and other representatives with respect to the Purchased Assets has been adequate and appropriate and reasonably calculated to maximize the value for the benefit of all of the Debtors' stakeholders in all respects.

M. Highest or Otherwise Best Offer. Following consultation with their financial and legal advisors and a robust and extensive marketing process, the Debtors determined in a valid and sound exercise of their business judgment in the best interests of their estates that the transactions contemplated by the BSAs, entered into in connection with the Global Settlement, represented the highest or otherwise best offer available. Therefore, each of the Buyers was designated the Designated Operator in connection with the Global Settlement and Settlement Order for the applicable Purchased Assets. The Global Bidding Procedures and the Settlement Order have been complied with in all respects by the Debtors and the Buyers and afforded a full, fair, and reasonable opportunity for any entity or person to make a higher or otherwise better offer for the Purchased Assets.

N. The Debtors have demonstrated that the (i) each of the Sale Transactions as reflected in the BSAs, as part of the Global Settlement, is the highest or otherwise best offer for the Purchased Assets, and (ii) the BSAs and the closing thereon presents the best opportunity to realize the maximum value of the Purchased Assets, and (iii) the Debtors' entry into the BSAs and consummation of the Sale Transactions (the "**Closing**," and the date of such Closing, the "**Closing Date**") is a sound exercise of the Debtors' business judgment.

O. Interim Manager Costs. On September 11, 2024, (i) the St. Joseph HSA Buyer and the Debtors entered into that certain *Interim Management Agreement*, (ii) the Port

Arthur HSA Buyer and the Debtors entered into that certain *Interim Management Agreement*, and (iii) the Florida HSA Buyer and the Debtors entered into that certain *Interim Management Agreement* (each, an “**Interim Management Agreement**” and collectively, the “**Interim Management Agreements**”), pursuant to which each Buyer agreed to comply with all terms and conditions set forth in the Interim Management Procedures. The Interim Management Agreements and Interim Management Procedures require the Buyers to fund certain costs and expenses of operating the Purchased Assets during the Interim Management Period (as defined in the Interim Management Procedures) (the “**Interim Manager Costs**”).

P. **BSAAs.** On October 3, 2024, the Debtors filed the MLI Hospital Sale Notice. A copy of the St. Joseph BSAA is attached hereto as **Exhibit 1**. A copy of the Port Arthur BSAA is attached hereto as **Exhibit 2**. A copy of the Florida BSAA is attached hereto as **Exhibit 3**.

Q. **MPT Real Property.** Upon entry of the Settlement Order, Master Lease I (as defined therein) was deemed terminated. Each Buyer or one or more of its affiliates has entered into a new lease with MPT with respect to the applicable MPT Real Property,⁶ dated September 11, 2024.

R. **Business Justification; Fiduciary Duties.** The Debtors have demonstrated that entry into and consummation of the transactions contemplated by the BSAAs constitute the exercise by the Debtors of sound business judgment, and such acts are in the best interests of the Debtors, their estates, and creditors, and all parties in interest. The Court finds that the Debtors have articulated good and sufficient business reasons justifying the sale of the Purchased Assets

⁶ “**MPT Real Property**” means those properties underlying the Purchased Assets that were subject to Master Lease I.

to the applicable Buyer pursuant to the terms and conditions set forth in each of the applicable BSAAs.

S. The Debtors have demonstrated that it is an exercise of their sound business judgment to assume and assign the Assigned Contracts to the applicable Buyer in connection with the consummation of the Sale Transactions, and the assumption and assignment of the Assigned Contracts is in the best interests of the Debtors, their estates, their creditors, and other parties in interest, subject to the requirements applicable to any Disputed Contracts (as defined and described below). The Assigned Contracts being assigned to the applicable Buyer are an integral part of each applicable Sale Transaction and, accordingly, their assumption and assignment is reasonable and an enhancement to the value of the Debtors' estates.

T. The Debtors' decision to enter into the BSAAs and consummate the Sale Transactions constitutes a proper exercise of the fiduciary duties of the Debtors and their directors, managers, and officers. Because the entry into and consummation of the BSAAs constitutes the exercise by the Debtors of sound business judgment, the Debtors, and their respective current members, managers, officers, directors, employees, advisors, professionals or agents (in each case, solely in their capacity as such), shall have or incur no liability to the estates or any holder of a Claim against or Interest in the Debtors for any act or omission in connection with, related to, or arising out of the negotiations of the BSAAs or the consummation of each Sale Transaction contemplated thereunder, other than liability arising out of or relating to any willful misconduct or fraud, in each case as determined by a court of competent jurisdiction; *provided*, however, that nothing in this paragraph shall amend, modify or supersede the releases set forth in the Global Settlement.

U. Corporate Authority. Upon entry of this Order, the Debtors (i) have the corporate or other organizational power and authority necessary to execute the BSAAs and all other documents contemplated thereby, (ii) have all of the power and authority necessary to consummate the Sale Transactions, and (iii) have taken all corporate or other organizational action necessary to authorize and approve the BSAAs and any actions required to be performed by the Debtors to consummate the Sale Transaction. Upon the entry of this Order, no further consents or approvals of the Debtors are required for the Debtors to consummate the Sale Transaction.

V. Arm's-Length Sale and Buyers' Good Faith. Each of the BSAAs was negotiated and is undertaken by the Debtors and the applicable Buyer at arm's length, without collusion or fraud, and in good faith within the meaning of section 363(m) of the Bankruptcy Code. The Buyers (i) recognize that the Debtors were free to deal with any other party interested in acquiring the Purchased Assets, (ii) complied with the Bidding Procedures Order in all respects, and (iii) willingly subjected its bid to the competitive Global Bidding Procedures with respect to the Purchased Assets. Neither the Debtors nor any of the Buyers have engaged in any conduct that would cause or permit the Sale Transactions or the BSAAs to be avoided or subject to monetary damages under section 363(n) of the Bankruptcy Code, or that would prevent the application of sections 363(m) of the Bankruptcy Code. None of the BSAAs was controlled by an agreement between potential bidders within the meaning of section 363(n) of the Bankruptcy Code. All payments to be made by the applicable Buyer and other agreements or arrangements entered into by the applicable Buyer in connection with the Sale Transactions have been disclosed, and none of the Buyers has violated section 363(n) of the Bankruptcy Code by any action or inaction. As a result of the foregoing, each of the Buyer is a "good faith" Buyer within the meaning of section 363(m) of the Bankruptcy Code and any other applicable bankruptcy or non-bankruptcy law with

respect to each of the Sale Transactions, and as such, is entitled to all of the protections afforded thereby, including in the event this Order or any portion thereof is reversed or modified on appeal.

W. Insider Status. None of the Buyers is an “insider” of any Debtor, as that term is defined in section 101(31) of the Bankruptcy Code.

X. No Fraudulent Transfer. The total consideration provided by the Buyers pursuant to the BSAs constitutes reasonably equivalent value and fair consideration under the Bankruptcy Code, the Uniform Voidable Transactions Act, the Uniform Fraudulent Transfer Act, the Uniform Fraudulent Conveyance Act, and any other applicable law, and may not be avoided under section 363(n) of the Bankruptcy Code or any other applicable law. None of the BSAA was entered into, and none of the Sale Transactions is being consummated, for the purpose of hindering, delaying or defrauding creditors of the Debtors under the Bankruptcy Code or under the laws of the United States, any state, territory, possession thereof, or the District of Columbia, or any other applicable law. Neither the Debtors nor any of the Buyers has entered into the applicable BSAA or is consummating the applicable Sale Transaction with any fraudulent or otherwise improper purpose.

Y. Free and Clear Transfer Required by Buyers. None of the Buyers would have entered into the BSAs and would not consummate the Sale Transactions, thus adversely affecting the Debtors, their estates, their creditors, their employees, and other parties in interest, if the sale of the Purchased Assets was not free and clear of the Liens, Claims, Encumbrances, and Interests (other than Assumed Liabilities, Permitted Encumbrances, and as otherwise provided in the applicable BSAA) or if the Buyers would be liable for such Liens, Claims, Encumbrances, and Interests, including, without limitation and as applicable, liabilities that are not expressly assumed by the Buyers as set forth in the applicable BSAA or pursuant to this Order. In closing the Sale

Transactions, the Buyers shall be deemed to have materially relied on findings and decrees in this Order.

Z. The transfer of the Purchased Assets and the Sale Transactions is a legal, valid, and effective transfer of all of the legal, equitable, and beneficial right, title, and interest in and to the Purchased Assets free and clear of the Liens, Claims, Encumbrances, and Interests, except for Assumed Liabilities, Permitted Encumbrances, and as otherwise provided in the applicable BSAA.

AA. Satisfaction of Section 363(f) Standards. The Debtors are authorized to sell the Purchased Assets free and clear of the Liens, Claims, Encumbrances, and Interests, other than Assumed Liabilities, Permitted Encumbrances, and as otherwise provided in the applicable BSAA (with any such Liens, Claims, Encumbrances, or Interests attaching to the proceeds attributable to the Purchased Assets encumbered by such Liens, Claims, Encumbrances, and Interests with the same nature, validity, priority, extent, perfection, and force and effect that the Liens, Claims, Encumbrances, and Interests encumbered such Purchased Assets immediately prior to the entry of this Order) because, with respect to each creditor or other person or entity asserting a Lien, Claim, Encumbrance, or Interest, one or more of the standards set forth in section 363(f)(1)-(5) of the Bankruptcy Code has been satisfied. Each creditor or other person or entity asserting a Lien, Claim, Encumbrance, or Interest in the Purchased Assets, (i) has, subject to the terms and conditions of this Order, consented to the Sale Transactions or is deemed to have consented to the Sale Transactions, (ii) could be compelled in a legal or equitable proceeding to accept money satisfaction of such Lien, Claim, Encumbrance, or Interest, or (iii) otherwise falls within the provisions of section 363(f) of the Bankruptcy Code. Those holders of the Liens, Claims, Encumbrances, and Interests who did not object (or who ultimately withdrew their objections, if

any) to the Sale Transactions or the Motion are deemed to have consented to the Motion and each Sale Transaction pursuant to section 363(f)(2) of the Bankruptcy Code.

BB. No Successor Liability. None of the Buyers nor any of their affiliates are successors to the Debtors or their estates by reason of any theory of law or equity, and none of the Buyers nor any of their affiliates shall assume or in any way be responsible for any liability or obligation of any of the Debtors and/or their estates except to the extent explicitly provided in this Order, including paragraph 17 of this Order, or the applicable BSAA. Without limiting the generality of the foregoing, and except as otherwise expressly provided herein or in the applicable BSAA, none of the Buyers nor any of their affiliates shall (a) be liable for any claims or defenses (including rights of recoupment) that may be asserted against the Debtors or any of their predecessors or affiliates (including, subject to paragraph 17 of this Order, claims or defenses (including rights of recoupment) relating to any Payor Agreement for services rendered by or amounts paid to the Debtors prior to Closing), or (b) be subject to successor or vicarious liabilities of any kind or character, including, without limitation, under any theory of antitrust, environmental, successor, or transfer liability, labor law, de facto merger, mere continuation, or substantial continuation, whether known or unknown as of Closing, now existing or hereafter arising, whether fixed or contingent, whether asserted or unasserted, whether legal or equitable, whether liquidated or unliquidated, including, without limitation, liabilities on account of warranties, intercompany loans, receivables among the Debtors and their affiliates, environmental liabilities, claims or defenses (including, other than as provided in paragraph 17 of this Order, rights of recoupment) that may be asserted against the Debtors relating to the Payor Agreements for services rendered or amounts paid to the Debtors prior to Closing (subject to paragraph 17 of this Order), any taxes arising, accruing, or payable under, out of, in connection with, or in any way

relating to the operation of any of the Purchased Assets prior to the Closing. None of the Buyers is, and the consummation of the Sale Transactions will not render any of the Buyers, a mere continuation, and none of the Buyers is holding itself out as a mere continuation, of any of the Debtors or their respective estates, enterprise, or operations, and there is no continuity or common identity between any of the Buyers and the Debtors. Accordingly, the Sale Transactions do not amount to a consolidation, merger, or de facto merger of the Buyers with or into any of the Debtors or their estates and the Buyers are not, and shall not be deemed to be, a successor to any of the Debtors or their estates as a result of the consummation of the Sale Transactions.

CC. Assigned Contracts. Each and every provision of the Assigned Contracts or applicable non-bankruptcy law that purports to prohibit, restrict, or condition, or could be construed as prohibiting, restricting, or conditioning assignment of any Assigned Contract has been or will be satisfied or is otherwise unenforceable under section 365 of the Bankruptcy Code. All counterparties of the Assigned Contracts that did not or do not timely file an objection to the assumption and assignment of the Assigned Contract(s) to which they are a counterparty are deemed to consent to the assumption and assignment by the Debtors of their Assigned Contract to the applicable Buyer, and each Buyer shall enjoy all of the rights and benefits under each such Assigned Contract as of the applicable date of assumption and assignment without the necessity of obtaining such non-Debtor party's consent to the assumption or assignment thereof. All counterparties of the Assigned Contracts for which the deadline to file a Contract Objection has not passed as of the date of entry of this Order, and that did not or do not timely file such an objection prior to the applicable deadline, shall be deemed to consent to the assumption and assignment by the Debtors of their Assigned Contract to the applicable Buyer as of the effective date of the assumption and assignment of such Assigned Contract under the assumption and

assignment procedures set forth in the applicable BSAA and the Settlement Order (in each case, the “**Assignment Effective Date**”), and each Buyer shall enjoy all of the rights and benefits under each such Assigned Contract as of the applicable date of assumption and assignment without the necessity of obtaining such non-Debtor party’s consent to the assumption or assignment thereof. If a Cure Objection is timely filed with respect to an Assigned Contract, the Debtors may assume and assign the applicable Contract(s) or Lease(s) pending resolution of the Cure Objection in accordance with and subject to paragraphs 26-27 of this Order. Upon the assignment of the Assigned Contracts to the applicable Buyer in accordance with the terms of the applicable BSAA, the Assigned Contracts shall be deemed valid and binding, in full force and effect in accordance with their terms, subject to the provisions of this Order, and shall be assigned and transferred to the applicable Buyer, notwithstanding any provision in the Assigned Contracts prohibiting or otherwise restricting assignment or transfer, and the Debtors, their estates, or any of their affiliates, predecessors, successors, or assigns, shall have no further liability or obligation under the Assigned Contracts. To the extent any Assigned Contract (other than the Medicare Provider Agreement, which will be transferred to the applicable Buyers in accordance with paragraph 17 hereof) is not an executory contract within the meaning of section 365 of the Bankruptcy Code, it shall be transferred to the applicable Buyers in accordance with the terms of the applicable BSAA and, other than with respect to Assumed Liabilities, none of the Buyers shall have any liability or obligation for any (i) defaults or breaches under such agreement that relate to acts or omissions that occurred in the period, or otherwise arose, prior to the Assignment Effective Date and (ii) claims, counterclaims, offsets, or defenses (whether contractual or otherwise, including, any right of recoupment) with respect to such Assigned Contract, that relate to any acts or omissions that arose or occurred prior to the Assignment Effective Date.

DD. Cure Costs and Adequate Assurance. Pursuant to the BSAAs, the Cure Costs will be paid by the applicable Buyer in accordance with the terms of the applicable BSAA. The Buyers have demonstrated adequate assurance of future performance of each Assigned Contract within the meaning of section 365 of the Bankruptcy Code that is assumed by the applicable Buyer or any of its permitted assignees to which such Assigned Contract is assumed and assigned by the Debtors, including by providing the Adequate Assurance Information (as defined in the Bidding Procedures Order) and a promise to perform the Debtors' obligations under such Assigned Contract as of the applicable Assignment Effective Date. The Cure Costs are deemed the amounts necessary to "cure" (within the meaning of section 365(b)(l) of the Bankruptcy Code) all "defaults" (within the meaning of section 365(b) of the Bankruptcy Code) under such Assigned Contracts that are assumed. The applicable Buyer's payment of Cure Costs in accordance with the terms of the applicable BSAA and promise under the applicable BSAA to perform the obligations under the Assigned Contracts as of the Assignment Effective Date, after the Assignment Effective Date, shall constitute adequate assurance of future performance under such Assigned Contracts. Subject to paragraphs 26-27 of this Order and the requirements applicable to any Disputed Contracts, any objections to the Cure Costs, to the extent not otherwise resolved, are hereby overruled. To the extent that any counterparty failed to timely object to its Cure Cost or to raise any other alleged claim, default or breach of contract, such counterparty is deemed to have consented to such Cure Cost and to the assignment of its respective Assigned Contract(s) to the applicable Buyer and to have waived any other claims, defaults or breaches. The Court finds that with respect to all Assigned Contracts, the payment of the Cure Costs as provided in each applicable BSAA is reasonable and appropriate and is deemed to fully satisfy the Debtors' obligations under sections 365(b) and 365(f) of the Bankruptcy Code. Accordingly, all of the

requirements of sections 365(b) and 365(f) of the Bankruptcy Code have been satisfied for the assumption by the Debtors, and the assignment by the Debtors to the applicable Buyer, of each Assigned Contract to be assumed and assigned to the applicable Buyer as of the applicable Assignment Effective Date.

EE. **Assets Assignable.** Subject to paragraph 17 hereof (solely with respect to the Medicare Provider Agreements), each and every provision of the documents governing the Purchased Assets or applicable non-bankruptcy law that purports to prohibit, restrict, or condition, or could be construed as prohibiting, restricting, or conditioning assignment of any of the Purchased Assets, if any, have been or will be satisfied or are otherwise unenforceable under sections 363 or 365 of the Bankruptcy Code, as applicable.

FF. **Time of the Essence.** Time is of the essence in consummating the Sale Transactions and each of the transactions contemplated thereby. In order to maximize the value of the Purchased Assets, it is essential that the Sale Transactions and each of the transactions contemplated thereby occur within the time constraints set forth in each of the BSAs and in accordance with the Settlement Order. Good and sufficient reasons for approval of each of the BSAs have been articulated by the Debtors. Upon the entry of this Order, the Debtors and the Buyers, being a good faith purchaser under section 363(m) of the Bankruptcy Code, may close the Sale Transactions and each of the transactions contemplated by the applicable BSAA at any time after entry of this Order and subject to the terms and conditions of the applicable BSAA.

GG. **No Sub Rosa Plan.** The BSAs and the Sale Transactions do not constitute a *sub rosa* chapter 11 plan. None of the BSAs impermissibly restructures the rights of the Debtors' creditors nor impermissibly dictates a chapter 11 plan for the Debtors.

HH. Final Order; Immediate Effect. This Order constitutes a final order within the meaning of 28 U.S.C. § 158(a). Notwithstanding Bankruptcy Rules 6004(h) and 6006(d), and to any extent necessary under Bankruptcy Rule 9014 and Rule 54(b) of the Federal Rules of Civil Procedure, as made applicable by Bankruptcy Rule 7054, the Court expressly finds that there is no just reason for delay in the implementation of this Order, and, sufficient cause having been shown, waives any such stay, and expressly directs entry of judgment as set forth herein.

IT IS THEREFORE ORDERED, ADJUDGED AND DECREED THAT:

1. **Objections Overruled.** All objections, if any, with regard to the relief sought in the Motion that have not been withdrawn, waived, settled, or otherwise dealt with herein are hereby overruled on the merits, with prejudice. All objections to the entry of this Order or to the relief granted herein that were not timely filed are hereby forever barred.

2. **Approval of Sale Transactions.** Pursuant to sections 105, 363, and 365 of the Bankruptcy Code, the Motion is granted, the relief requested therein with respect to the Sale Transactions is granted and approved in its entirety, and each of the BSAAs is hereby approved. The Debtors have satisfied all requirements of sections 363(b) and 363(f) of the Bankruptcy Code, and all other requirements and standards applicable to a sale outside the ordinary course of business, free and clear of the Liens, Claims, Encumbrances, and Interests.

3. Pursuant to sections 105(a), 363(b), 363(f), and 365 of the Bankruptcy Code, the Debtors are authorized to take any and all reasonable actions necessary to consummate the Sale Transactions, including the sale, transfer, and assignment of all of the Debtors' right, title, and interest in, to, and under the Purchased Assets to the applicable Buyer free and clear of the Liens, Claims, Encumbrances, and Interests (other than Assumed Liabilities, Permitted

Encumbrances, and as otherwise provided in the applicable BSAA) in accordance with the terms of the applicable BSAA and the terms of this Order and the Settlement Order. The relevant Debtors, as well as their directors, managers, officers, employees, and agents, are authorized to execute, deliver, and perform their obligations under and comply with the terms of the BSAs and to consummate the Sale Transactions, including by taking any and all actions as may be reasonably necessary or desirable to implement the Sale Transactions and each of the transactions contemplated thereby pursuant to and in accordance with the terms and conditions of the BSAs and this Order and the Settlement Order. For the avoidance of doubt, all persons and entities are prohibited and enjoined from taking any action to adversely affect or interfere with the ability of the Debtors to transfer the Purchased Assets to the applicable Buyer in accordance with the BSAs and this Order and the Settlement Order.

4. The relevant Debtors, their affiliates, and their respective directors, managers, officers, employees, and agents, are authorized to execute and deliver, and authorized to perform under, consummate, and implement all additional notices, assumptions, conveyances, releases, acquittances, instruments and documents that may be reasonably necessary or desirable to implement the BSAs, including the transfer and, as applicable, the assignment of all the Purchased Assets, the assumption of the Assumed Liabilities, and the assumption and assignment of all the Assigned Contracts, and to take all further actions as may be necessary or appropriate to the performance of the obligations contemplated by the BSAs without further order of this Court.

5. The Debtors are further authorized, but not directed, to pay, without further order of the Court, whether before, at or after Closing, any expenses or costs required to be paid to consummate each Sale Transaction or for the Debtors to perform their obligations solely in accordance with the applicable BSAA.

6. **Sale and Transfer of Assets Free and Clear.** Pursuant to sections 105(a), 363(b), 363(f), and 365(b) of the Bankruptcy Code, the Debtors are authorized to transfer, and upon the Closing shall transfer to the applicable Buyer all of the Debtors' right, title, and interest in and to, and possession of, the Purchased Assets, which shall be immediately vested in the applicable Buyer, and, to the extent provided in the applicable BSAA, such title to the Purchased Assets shall be transferred to the applicable Buyer free and clear of the Liens, Claims, Encumbrances, and Interests (other than Assumed Liabilities, Permitted Encumbrances, and as otherwise provided in the applicable BSAA), including:

- (a) liens (including, without limitation, mechanics', materialmens', and other consensual and non-consensual liens and statutory liens) mortgages, restrictions, hypothecations, charges, indentures, loan agreements, instruments, leases, licenses, options, deeds of trust, security interests, conditional sale or other title retention agreements, property interests, pledges, judgments, demands, encumbrances, easements, and servitudes;
- (b) interests, obligations, liabilities, causes of action, demands, guaranties, options, restrictions, and contractual or other commitments;
- (c) rights, including, without limitation, rights of first refusal, rights of offset (except for offsets exercised prior to the Petition Date), contract rights, rights of recoupment and recovery;
- (d) decrees of any court or foreign or domestic government entity (to the extent permitted by law);
- (e) charges or restrictions of any kind or nature, including, without limitation, any restriction on the use, transfer, receipt of income or other exercise of any attributes of ownership of the Purchased Assets, including, without limitation, consent of any Person to assign or transfer any of the Purchased Assets;
- (f) except as otherwise provided in paragraph 17 of this Order with respect to Medicare Provider Agreements, debts arising in any way in connection with any agreements, acts, or failures to act, of the Debtors or any of the Debtors' predecessors or affiliates;
- (g) claims (as that term is defined in the Bankruptcy Code), including claims for reimbursement, contribution claims, derivative, vicarious, transferee, or successor liability claims (including without limitation any "successor

employer” claims under the Consolidated Omnibus Budget Reconciliation Act of 1985), indemnity claims, exoneration claims, alter-ego claims, product liability claims, employee retirement or benefit plan claims, severance claims, retiree healthcare or life insurance claims, environmental claims (to the fullest extent allowed by applicable law), state, federal, local and any other tax claims, reclamation claims, and pending, contingent or otherwise unasserted litigation claims, including in all cases claims that may be secured or entitled to priority under the Bankruptcy Code;

- (h) subject to paragraph 17 of this Order, claims and defenses (including rights of recoupment) against the Debtors relating to the Payor Agreements for services rendered or amounts paid to the Debtors prior to Closing; and
- (i) matters of any kind or nature whatsoever, whether at law or in equity and whether known or unknown, choate or inchoate, filed or unfiled, scheduled or unscheduled, noticed or unnoticed, recorded or unrecorded, perfected or unperfected, allowed or disallowed, contingent or non-contingent, liquidated or unliquidated, matured or un-matured, material or nonmaterial, disputed or undisputed, whether arising prior to or during the Debtors’ bankruptcy cases, and whether imposed by agreement, understanding, law, equity, or otherwise;

in each case, whether in law or in equity, known or unknown, choate or inchoate, filed or unfiled, scheduled or unscheduled, noticed or unnoticed, recorded or unrecorded, perfected or unperfected, allowed or disallowed, contingent or non-contingent, liquidated or unliquidated, matured or unmatured, material or non-material, disputed or undisputed, direct or indirect, and whether arising by agreement, understanding, law, equity or otherwise, and whether occurring or arising before, on or after the Petition Date, or occurring or arising prior to the Closing (each, a “**Lien, Claim, Encumbrance, or Interest**,” and collectively, the “**Liens, Claims, Encumbrance, and Interests**”). Except to the extent an Assumed Liability or as otherwise provided in the applicable BSAA, the Liens, Claims, Encumbrances, and Interests shall attach to the proceeds attributable to the Purchased Assets encumbered by such Liens, Claims, Encumbrances, and Interests with the same nature, validity, priority, extent, perfection, and force and effect that such Liens, Claims, Encumbrances, and Interests encumbered such Purchased Assets immediately prior to the entry of

this Order, subject to any Claims, defenses, and objections, if any, that the Debtors or their estates may possess with respect thereto.

7. Notwithstanding anything to the contrary in the BSAs, (i) no claims and/or causes of action under chapter 5 of the Bankruptcy Code are being purchased by, or transferred to, the Buyers, (ii) no claims and/or causes of action that the Debtors may have, if any, against the Debtors' current and former insiders, affiliates, directors, officers, members, employees, partners, managers, independent contractors, agents, representatives, principals, professionals, consultants, financial advisors, attorneys, accountants, investment bankers, and other professional advisors, whether under the Bankruptcy Code, state or federal law, or otherwise, are being purchased by, or transferred to, the Buyers, and (iii) no claims and/or causes of action against counterparties to the Debtors' contracts or leases (other than any claims and/or causes of action against counterparties to the Assigned Contracts assumed and assigned to the applicable Buyer in accordance with the applicable BSA) are being purchased by, or transferred to, the Buyers, and all such claims and/or causes of action in clauses (i) through (iii) herein are preserved for the benefit of the Debtors' estates. For the avoidance of doubt, no claims and/or causes of action against the MPT Lessors, the Prepetition Secured Parties, or any of their respective affiliates are being purchased by, or transferred to, the Buyers.

8. With regard to the forms of, timing, and other terms and provisions concerning the consideration to be provided by the Buyers to the Debtors as set forth in the BSAs and may be amended by this Order, each Buyer is directed to comply with their respective obligations thereunder and consummate the applicable Sale Transaction promptly in accordance with this Order and the Settlement Order, and the Debtors, and their respective successors and assigns, including any liquidating trustee appointed in connection with these chapter 11 cases, are

hereby authorized to enforce all such provisions. As further set forth in paragraph 32 hereof, the Court shall retain exclusive jurisdiction with respect to any and all issues, disputes, controversies, causes of action, and/or claims with respect to, or arising under, such provisions, including, without limitation, the enforcement thereof.

9. Real Property Transaction. Upon the consummation of the Sale Transactions, neither the Debtors' estates nor any parties claiming by or through the Debtors' estates (including, for the avoidance of doubt, the FILO DIP Lenders, the Junior DIP Lender, and the Prepetition Secured Parties (each as defined in the Final DIP Order)) shall have any ownership claim to, or ownership interest in, the MPT Real Property. For the avoidance of doubt, each Buyer's rights with respect to any MPT Real Property shall be governed by agreements separate from the BSAAAs or this Order among the Buyers and MPT or its affiliates; *provided* that, unless and until the releases set forth in the Settlement Order become effective, nothing in this Order or the BSAAAs shall prejudice the rights of the Committee with respect to any Challenge (as defined below), any rights or defenses of MPT with respect to any Challenge or the ability of the Court to fashion any appropriate remedy following a successful Challenge; provided further that, no such Challenge shall seek to require the Buyers to deliver the MPT Real Property back to the Debtors or the MPT Lessors or seek to terminate the Buyers' new lease with MPT.

10. Binding Effect of Order. This Order and each BSAA shall be binding in all respects upon the Debtors, their estates, all creditors of, and holders of equity interests in, the Debtors, including, without limitation, any chapter 11 trustee hereinafter appointed for the Debtors' estates or any trustee appointed in a chapter 7 case of any of the Debtors if any of these chapter 11 cases is converted from a case under chapter 11 to a case under chapter 7, all counterparties to Assigned Contracts, all Recording Officers, any holders of the Liens, Claims,

Encumbrances, and Interests in, against, or on all or any portion of the Purchased Assets (whether known or unknown), each Buyer and all successors and assigns of each Buyer, notwithstanding the dismissal of any of the Debtors' cases or any subsequent appointment of any trustees, examiners, "responsible persons," or other fiduciaries or similar estate representatives in these chapter 11 cases or upon a conversion to a case under chapter 7 of the Bankruptcy Code, and the BSAAs shall not be subject to rejection or avoidance under any circumstances. If any order under section 1112 of the Bankruptcy Code is entered, such order shall provide, or be deemed to provide (in accordance with sections 105 and 349 of the Bankruptcy Code) that this Order, including the rights granted to the Buyers hereunder, shall remain effective and, notwithstanding such dismissal, shall remain binding on parties in interest. To the extent of any conflict between this Order and the BSAAs, the terms of this Order shall control.

11. No Material Modifications. Each of the BSAAs and any related agreements, documents, or other instruments in effect as of the date hereof may be modified, amended, or supplemented in accordance with the terms thereof, this Order and the Bidding Procedures Order without further order of this Court and following prior notice to and consultation with the Committee, the FILO Lenders and the FILO DIP Lenders; *provided, however,* that any such modification, amendment, or supplement does not have a material adverse effect on the Debtors or their estates as determined in the good faith judgment of the Debtors in consultation with the Committee, the FILO Lenders and the FILO DIP Lenders, and the Junior DIP Lender. For the avoidance of doubt, all other modifications, amendments, or supplements that have a material adverse effect on the Debtors' estates or their creditors shall require Court approval.

12. No Bulk Sales. No bulk sales law or any similar law of any state or other jurisdiction shall apply in any way to the Sale Transactions, the Motion, and this Order.

13. **Valid Transfer.** Effective upon the Closing, the transfer to the applicable Buyer of the Debtors' right, title, and interest in the Purchased Assets pursuant to the applicable BSAA shall be, and hereby is deemed to be, a legal, valid and effective transfer of the Debtors' right, title, and interest in the Purchased Assets, and vests with or will vest in the applicable Buyer all right, title, and interest of the Debtors in the Purchased Assets, free and clear of the Liens, Claims, Encumbrances, and Interests, other than Assumed Liabilities, Permitted Encumbrances, and as otherwise provided in the applicable BSAA.

14. **Good Faith Buyers.** The Sale Transactions contemplated by each applicable BSAA are undertaken by the applicable Buyer in good faith, as that term is used in section 363(m) of the Bankruptcy Code, and each of the Buyers has acted without collusion in undertaking each Sale Transaction contemplated by the applicable BSAA. Accordingly, the reversal or modification on appeal of the authorization provided herein to consummate each of the Sale Transactions shall not affect the validity of the sale of the Purchased Assets to the applicable Buyer (including the assumption and assignment by the Debtors of any of the Assigned Contracts), unless such authorization is duly stayed pending such appeal. Each of the Buyers is a purchaser in good faith of the Purchased Assets, and is entitled to all of the protections afforded by section 363(m) of the Bankruptcy Code.

15. The BSAAs and the transactions contemplated thereby cannot be avoided under section 363(n) of the Bankruptcy Code. None of the Debtors, the Buyers, or any of their respective affiliates, officers, directors, members, partners, principals, or shareholders (or equivalent) or any of their respective current and former members, managers, officers, directors, employees, advisors, professionals, agents, predecessors, successors or assigns have engaged in any conduct that would cause or permit the BSAAs or the consummation of the transactions

contemplated thereby to be avoided, or costs or damages to be imposed, under section 363(n) of the Bankruptcy Code and no party is entitled to damages or other recovery in connection therewith under section 363(n) of the Bankruptcy Code.

16. Governmental Authorization to Effectuate Sale and Assignments.

Except as otherwise specifically provided in this Order, each and every federal, state, and governmental agency or department, and any other person or entity, is hereby directed to accept (i) any and all documents and instruments in connection with or necessary to consummate the Sale Transactions, subject to the payment of any filing fee or other fee imposed under non-bankruptcy law; and (ii) this Order as sufficient evidence of the transfer of right, title, and interest in, to, and under the Purchased Assets. Except as otherwise provided in this Order, to the greatest extent available under applicable law upon the Closing, the Buyers shall be authorized, as of the Closing, to operate under any license, permit, registration, and governmental authorization or approval of the Debtors with respect to the Purchased Assets, and all such licenses, permits, registrations, and governmental authorizations and approvals are deemed to have been, and hereby are, deemed to be transferred to the applicable Buyer as of the Closing. To the extent any license or permit necessary for the operation of the Purchased Assets is determined not to be an executory contract that may be assumed and assigned under section 365 of the Bankruptcy Code, the Buyers shall apply for and obtain any necessary license or permit promptly after the Closing Date, and, to the extent practicable, such license or permit of the Debtors shall remain in place for the Buyers' benefit until a new license or permit is obtained (or, in the case of licenses or permits of Debtors of which the assignment to the applicable Buyer is pending as of the Closing Date (whether pursuant to a notice period that has not expired as of the Closing Date or a required consent from an applicable governmental authority that has not been received as of the Closing Date), shall

transfer to the applicable Buyer upon the expiration of such notice period or the receipt of such consent; provided, however, that the foregoing shall not apply to any Medicare Provider Agreement, the transfer of which is governed by paragraph 17 of this Order). No governmental unit may revoke or suspend any lawful right, license, trademark, or other permission relating to the use of the Purchased Assets sold, transferred, or conveyed to the applicable Buyer on account of the filing or pendency of these chapter 11 cases or the consummation of the applicable Sale Transaction. For the avoidance of doubt, the Sale Transactions authorized herein shall be of full force and effect, regardless of whether the Debtors or any of their affiliates lack good standing in any jurisdiction in which such entity is formed or is authorized to transact business.

17. Medicare Provider Agreements. Notwithstanding anything to the contrary in this Order, the following provisions apply to the Debtors' Medicare Provider Agreements with the Centers for Medicare & Medicaid Services (together with its applicable regional offices, and Medicare Administrative Contractors, and other contractors or agents auditing or administering the Medicare program, collectively, "CMS") for each Hospital (the "**Medicare Provider Agreements**"):⁷

- a. Neither this Order nor the BSAAs authorize any sale or transfer of any Medicare Provider Agreement of the Debtors, and the Medicare Provider Agreements are not among the Purchased Assets to be conveyed in the BSAAs.
- b. The Buyers may, but shall not be obligated to, apply to the CMS for recognition of a "change of ownership" ("CHOW") pursuant to 42 C.F.R. §§ 489.18 and 424.550, and applicable provisions of the Medicare Program Integrity Manual ("PIM") and State Operation Manual ("SOM"), including but not limited to the procedures for such application in Chapter 10 of the PIM and Chapter 3 of the SOM.
- c. If CMS determines that, pursuant to applicable Medicare law, the Buyers are qualified to serve as a Medicare Part A Provider and satisfies the requirements for

⁷ For the avoidance of doubt, this paragraph 17 does not apply to Medicaid provider agreements between the Debtors and the Texas Health and Human Services Commission.

recognition of a CHOW, CMS shall automatically assign the applicable Medicare Provider Agreements to the applicable Buyer.

- d. To satisfy the requirement under 42 C.F.R. § 489.18 that the Buyers assume all financial obligations associated with the Medicare Provider Agreements, CMS shall accept from the Buyers, (i) \$12,587,473.63 as payment of determined pre-transfer liabilities (the “**Outstanding Amount**”) and (ii) \$1,323,325.00 to be placed into escrow by CMS (the “**Additional Overpayment Escrow**”) to be used for payment of any overpayments or liabilities due to CMS, whether known or unknown, arising from or in connection with the Medicare Provider Agreements during the period on or before the Closing Date (the “**Pre-Closing Date Period**”) including for which the applicable Buyer would be liable under 42 C.F.R. § 489.18 and *United States v. Vernon Home Health*, 21 F.3d 693 (5th Cir. 1994) (collectively, the “**Pre-Closing Obligations**”). In addition, CMS shall be entitled to hold any underpayments owed by CMS under the Medicare Provider Agreements for the Pre-Closing Date Period (the “**Pre-Closing Date Underpayments**”) and apply the value of such Pre-Closing Date Underpayments to the Pre-Closing Obligations. Payment of the Outstanding Amount and application of funds from the Additional Overpayment Escrow and the Pre-Closing Date Underpayments constitute the sole remedy against the applicable Buyer for satisfaction of any Pre-Closing Obligations, and CMS will seek no payment from the Buyers beyond the Outstanding Amount, Additional Overpayment Escrow, and Pre-Closing Date Underpayments for the Pre-Closing Obligations.
- e. The Buyers shall pay the Outstanding Amount and Additional Overpayment Escrow amounts, as described in Exhibit 4 to this Order, subject to the following schedule:
 - i. On or before five (5) business days following assignment of each Medicare Provider Agreement, the applicable Buyer shall pay the Outstanding Amount other than the Debtors’ Medicare Advanced Accelerated Payment obligations (“**MAAP Obligations**”) due under the applicable Provider Agreement in the amounts set forth on Exhibit 4.
 - ii. With respect to the MAAP Obligations, each Buyer shall pay the MAAP Obligations due under each applicable Medicare Provider Agreement, together with interest, at a rate of 4% per annum as required by the MAAP program, through an extended repayment schedule (ERS) over a term of forty-eight (48) months beginning on the date such Buyer receives assignment of the Medicare Provider Agreement; provided, however, that the Buyer shall pay interest only on each ERS for the first six months of the ERS term, and thereafter shall pay the balance of the principal and interest over the remaining forty-two (42) months of the ERS. After the closing of the sale transaction, and through the date the applicable Medicare Provider Agreement is assigned to the Buyer, CMS shall be entitled to recoup only interest payments on the Debtors’ MAAP Obligations under each Existing

ERS from payments otherwise due under the applicable Medicare Provider Agreement.

- iii. Each Buyer shall pay the applicable Additional Overpayment Escrow applicable to each Medicare Provider Agreement to CMS in six (6) equal monthly installments, without interest, with each installment due by the 15th day of each month, commencing thirty (30) calendar days after assignment of the applicable Medicare Provider Agreement.
- f. If the applicable Buyer fails to pay promptly all or any part of the Outstanding Amount or Additional Overpayment Escrow, CMS shall have the right to recoup Pre-Closing Obligations from payments otherwise due to the Buyers at any time after CMS's assignment of the applicable Medicare Provider Agreements to the Buyers.
- g. Upon CMS's completion of audits of open cost reports relating to the Pre-Closing Date Period (the "**Unaudited Cost Year Reports**") and of any Reopened Cost Year Reports (as defined below), CMS shall first apply the amounts in the Additional Overpayment Escrow to any determined liabilities associated with such audits. If, after such application, any amounts remain in the Additional Overpayments Escrow, CMS will apply such amounts towards any outstanding Pre-Closing Obligations and subsequently recoup any remaining Pre-Closing Obligations from the Pre-Closing Underpayments. If after such application, any amounts remain in the Additional Overpayments Escrow or there are any remaining Pre-Closing Underpayments, (i) any amounts remaining in the Additional Overpayment Escrow shall be released to, and constitute property of, the applicable Buyer, and (ii) any Pre-Closing Date Underpayments shall be released to the applicable Buyer, which shall be deemed held in trust for, and paid over to, the Debtors within five (5) days of receipt from CMS. CMS shall complete the audits of the Unaudited Cost Year Reports, the Debtors' Final Cost Reports (as defined below), and any Reopened Cost Year Report (as defined below) by the later of (i) 9 months from the Closing Date and (ii) 30 days after issuance of the SSI DSH adjustment tables for the applicable cost year, but in no event more than one year from the Closing Date.
- h. Within 150 days after the Closing Date, the Debtors shall file a terminating cost report for the Hospital for all services provided through the Closing Date (the "**Debtors' Final Cost Reports**").
- i. Payment of the Outstanding Amount and Additional Overpayment Escrow, along with the application of any Pre-Closing Underpayments, fully satisfies and constitutes a release of the Buyers of the Pre-Closing Obligations.
- j. Notwithstanding any other provision hereof, CMS may reopen and audit the Debtors' pre-Closing Date Medicare cost reports (the "**Reopened Cost Year Reports**") in the ordinary course for purposes of calculating any amounts due under the applicable Medicare Provider Agreement for the Pre-Closing Date Period. However, CMS shall not seek any further payments for the Reopened Cost Year

Reports, other than from the Additional Overpayment Escrow and application of the Pre-Closing Underpayments. Nothing in this Order will preclude CMS from exercising its rights under applicable law to reopen any cost year report to adjust payment rates for any fiscal periods as part of adjustments in federal payment rates applicable to all similarly situated providers participating in Medicare. Notwithstanding anything contained herein to the contrary, the applicable Buyer and the Debtors shall retain all rights under applicable non-bankruptcy law to appeal the Debtors' pre-Closing Date Medicare cost reports and to continue ongoing appeals or make claims against CMS consistent with the rights each would have in the ordinary course (e.g., meaning in the case of the Buyers, the rights of any party accepting assignment of the applicable Medicare Provider Agreement pursuant to a CHOW).

- k. Nothing in this Order waives or abrogates whatever rights, if any, CMS may have to recoup or offset against payments otherwise payable to any Buyer in connection with the Hospitals for periods after the Closing Date; *provided, however,* that such offsets, recoupments, demands, fines or penalties do not arise out of or relate to the Pre-Closing Date Obligations.
- l. On and after the Closing Date, nothing in this Order shall relieve or be construed to relieve the Buyers from complying with all procedures, rules, and regulations of the Medicare program, and all plans of correction or other regulatory actions required by CMS, including those arising from pre-Closing Date actions or inactions of the Debtors.
- m. Except as set forth in this paragraph 17, nothing in this Order shall affect any right or obligation of CMS with respect to the regulatory assignment of the Medicare Provider Agreements, and CMS will process the assignment of the Medicare Provider Agreements in the ordinary course upon approval of any CHOW application submitted by the Buyers.
- n. Nothing in this Order releases, relates to, or concerns any other claims that may be filed by the United States or any other federal entity other than with respect to the Medicare Provider Agreements as set forth in this paragraph 17, nor does it affect the rights and claims of any such federal entity. Further, nothing in this Order shall bar the United States and its agencies from asserting any rights of setoff or recoupment that they may have or may acquire against any amounts now due, or which may become due, to the Debtors or their estates from any federal agency except as otherwise provided for in this Order. All of the Debtors' rights and defenses thereto are preserved.
- o. The terms set forth in this paragraph regarding the Medicare Provider Agreements are subject to final approval by the United States. In the event the United States does not render such final approval within seven (7) days of the date of entry of this Order (or such later date consented to by the Debtors), the Debtors and the United States shall notify the Court, and the Court shall hold an emergency hearing to

resolve the United States' objections to the sale of the Debtors' Medicare Provider Agreements free and clear of claims and Medicare obligations.

18. **Accounts Receivable.** Notwithstanding anything to the contrary in this Order and subject to the Settlement Order, including paragraph 25 thereof, nothing set forth in this Order shall be deemed to limit, impair or affect in any way (i) the Debtors' right, title, and interest in the Debtors' cash and patient accounts receivable, payor/contractor accounts receivable, Medicare reimbursements or adjustments (except as set forth in paragraph 17 of this Order) and all other accounts receivable (collectively, the "**Accounts Receivable**") for services rendered or goods sold prior to the Funding Commencement Time (as defined in the Settlement Order), which cash and Accounts Receivable remain property of the Debtors as Excluded Assets and shall be reimbursed to Debtors if received by the applicable Buyer, as and to the extent provided in the applicable BSAA, or (ii) the Debtors' ability to complete any remaining billing for services rendered or goods sold prior to Closing under the Debtors' Medicare numbers or other Payor Agreements; *provided, however,* that nothing in this Order or the BSAAAs shall obligate CMS to pay any amounts due under any Medicare Provider Agreement to any party other than the Medicare provider eligible to receive payment under such agreement. Each Buyer shall provide the Debtors (or Debtors' billing agent) with reasonable access to pre-Closing documents or data as may be necessary in order for the Debtors to facilitate billing and collecting for services furnished to Medicare beneficiaries by the Debtors. Notwithstanding anything to the contrary in the BSAAAs, this Order, the Global Settlement, and the Settlement Order, (i) the Debtors are and were authorized, and the Buyers have consented to and are deemed to consent to, the Debtors retaining \$24,693,947.00 of Go-Forward Receivables (as defined in the Settlement Order) (the "**Retained Receivables**") as of October 23, 2024 (the "**Calculation Date**") and applying such Retained Receivables to fund Interim Manager Costs (including unpaid invoices) that the Buyers did not fund notwithstanding the requirements

under the Interim Management Procedures, and (ii) such Retained Receivables reduced, on a dollar for dollar basis, the Interim Manager Costs that the Buyers would otherwise be required to fund to the Debtors under the Interim Management Procedures and Interim Management Agreements.

19. **Authorization to Assign.** Notwithstanding any provision of any contract governing the Purchased Assets, including any Assigned Contract to be assumed and assigned to the applicable Buyer as of the applicable Assignment Effective Date pursuant to section 365(f) of the Bankruptcy Code or applicable non-bankruptcy law that prohibits, restricts, or conditions the assignment of the Purchased Assets, including any Assigned Contract, as of the applicable Assignment Effective Date, the Debtors are authorized in accordance with sections 105(a), 363, and 365 of the Bankruptcy Code to (i) assign the Purchased Assets to the applicable Buyer and (ii) assume and assign the Assigned Contracts to the applicable Buyer as of the applicable Assignment Effective Date, in each case, which assignments shall take place on and be effective as of the Assignment Effective Date, in each case, as provided in this Order, the BSAAAs, the Bidding Procedures Order, the Settlement Order, or as otherwise provided by a separate order of this Court.

- (a) There shall be no accelerations, assignment fees, increases, or any other fees charged to the Buyers or the Debtors as a result of the assignment of the Purchased Assets or the assumption and assignment of the Assigned Contracts.
- (b) The Debtors have met all of the requirements of section 365(b) of the Bankruptcy Code for each of the Assigned Contracts that are to be assumed and assigned to the applicable Buyer as of Closing (or as otherwise provided in the Bidding Procedures Order, the Settlement Order or the BSAAAs). Notwithstanding the foregoing, unless required by a Buyer under the applicable BSAA for the Debtors to assume and assign any Assigned Contract, no Debtor shall be required by the Court to assume and assign any Assigned Contract, and, if no such assumption and assignment occurs, no Cure Costs shall be due and no adequate assurance of future performance shall be required with respect to any such Assigned Contract.

(c) The Debtors' assumption and assignment of the Assigned Contracts is subject to the consummation of the applicable Sale Transaction with the applicable Buyer. Subject to the requirements applicable to any Disputed Contracts, as set forth in paragraphs 26-27 of this Order and paragraph 11 of the Settlement Order, to the extent that a Contract Objection by a counterparty to any Assigned Contract is not resolved prior to the Closing, the applicable Buyer, may, without any further approval of the Court or notice to any party, elect to (i) not have the Debtors assume and assign such Assigned Contract to it, or (ii) have the Debtors postpone the assumption of such Assigned Contract until the resolution of such Contract Objection; provided, however, that (a) the Debtors, the applicable Buyer, and the relevant non-Debtor counterparty under each Assigned Contract shall have authority to compromise, settle, or otherwise resolve any objections without further order of, or notice to, this Court; and (b) the payment of all costs and expenses arising under the applicable Contract or Lease pending resolution of the Contract Objection shall be subject to the terms of the Settlement Order and this Order.

20. **Assigned Contracts.** As of the applicable Assignment Effective Date, subject to the provisions of this Order and in accordance with the Settlement Order and the applicable BSAA, the applicable Buyer shall succeed to the entirety of the Debtors' rights and obligations in the Assigned Contracts.

(a) Upon the applicable Assignment Effective Date, (i) or as soon as reasonably practicable thereafter, all defaults (monetary and non-monetary) under the Assigned Contracts shall be deemed cured and satisfied in full through and upon the payment of the Cure Costs as agreed between the applicable Buyer and the applicable non-Debtor counterparty, or as determined by the Court (if applicable), (ii) no other amounts will be owed by the Debtors, their estates, or, other than the Assumed Liabilities, the applicable Buyer with respect to amounts first arising or accruing during, or attributable or related to, the period before the Assignment Effective Date with respect to the Assigned Contracts, and (iii) any and all persons or entities shall be forever barred and estopped from asserting a Claim against the Debtors, their estates, the applicable Buyer, or the Purchased Assets that any additional amounts are due or defaults exist under the Assigned Contracts that arose or accrued, or relate to or are attributable to the period before the applicable Assignment Effective Date (other than Claims against the applicable Buyer with respect to the Assumed Liabilities). The applicable Buyer's promise, and any payment by the applicable Buyer, pursuant to the terms of the applicable BSAA, to pay the Cure Costs and the applicable Buyer's promise to perform the Debtors' obligations under the Assigned Contracts for the period on or after the applicable Assignment Effective Date shall constitute adequate assurance of the applicable Buyer's future performance under the

Assigned Contracts being assigned to it as of the applicable Assignment Effective Date within the meaning of sections 365(b)(1)(C) and (f)(2)(A)-(B) of the Bankruptcy Code.

- (b) Upon assumption of those Assigned Contracts to be assumed by the Debtors and assigned to the applicable Buyer as of the applicable Assignment Effective Date, such Assigned Contracts shall be deemed valid and binding, in full force and effect in accordance with their terms, subject to the provisions of this Order, and shall be assigned and transferred to the applicable Buyer, notwithstanding any provision in such Assigned Contract or other restrictions prohibiting assignment or transfer. To the extent any Assigned Contract is assumed and assigned to the applicable Buyer under this Order, such assumption and assignment will not take effect until the Assignment Effective Date. Furthermore, other than the Assigned Contracts, no other contract shall be deemed assumed by the Debtors and assigned to the applicable Buyer pursuant to section 365 of the Bankruptcy Code. The failure of the Debtors or the applicable Buyer to enforce at any time one or more terms or conditions of any Assigned Contract shall not be a waiver of such terms or conditions, or of the Debtors' and the applicable Buyer's rights to enforce every term and condition of such Assigned Contract.
- (c) With the applicable Buyer's consent, the Debtors may assume and assign to the applicable Buyer an Assigned Contract in part and to one or more other successful bidders in part so long as such buyers have cured any monetary defaults under such Assigned Contract and have each provided adequate assurance of future performance.
- (d) All counterparties to the Assigned Contracts shall cooperate and expeditiously execute and deliver, upon the reasonable request of the applicable Buyer, and shall not charge the Debtors or the applicable Buyer for, any instruments, applications, consents, or other documents which may be required or requested by any public or quasi-public authority or other party or entity to effectuate the applicable transfers in connection with the Sale Transactions.

21. Notwithstanding the foregoing, the Debtors may amend the list of Assigned Contracts to add or remove any Assigned Contract to or from such list in accordance with the terms of this Order, the applicable BSAA and the Settlement Order. To the extent the Debtors amend the list of Assigned Contracts to add a new Assigned Contract in accordance with the terms of this Order, the applicable BSAA, and the Settlement Order (an "**Additional Assigned Contract**"), the Debtors shall file a notice with the Court and serve such notice on the applicable

counterparty. Such notice shall provide the applicable counterparty with the opportunity to object to the assumption and assignment of the Additional Assigned Contract by filing an objection in accordance with the terms of the Settlement Order and serving such objection on the Debtors and the applicable Buyer. The Debtors, the applicable Buyer, and the applicable counterparty to an Additional Assumed Contract shall have authority to compromise, settle, or otherwise resolve any properly filed Contract Objections without further order of the Court unless such compromise, settlement, or other resolution would result in the responsibility of any Debtor's estate for the payment of Cure Costs.

22. If no Contract Objection has been filed, or a Contract Objection has been properly filed but has been resolved by the parties or determined by the Court, this Order shall serve as approval of the assumption and assignment of the applicable Additional Assumed Contract to the applicable Buyer without need for a further notice or order. If a Contract Objection has been properly filed with respect to an Additional Assigned Contract and is not resolved by the parties or determined by the Court, the Debtors' assumption and assignment of such Additional Assigned Contract shall be subject to the requirements applicable to Disputed Contracts set forth in paragraphs 26-27 of this Order and paragraph 11 of the Settlement Order.

23. All Cure Costs that have not been waived shall be determined in accordance with the Bidding Procedures Order, the Settlement Order, or this Order and paid by the applicable Buyer in accordance with the terms of the applicable BSAA. Subject to the requirements applicable to any Disputed Contracts, as set forth in paragraphs 26-27 of this Order and paragraph 11 of the Settlement Order, the assumption and payment of the Cure Costs shall be in full satisfaction and cure of any and all defaults under the Assigned Contracts and is deemed to fully satisfy the Debtors' obligations under sections 365(b) and 365(f) of the Bankruptcy Code. Upon

the assumption by a Debtor and the assignment to the applicable Buyer of any Assigned Contract, and the payment of any applicable Cure Costs by the applicable Buyer, each non-Debtor counterparty to such Assigned Contract is forever barred, estopped, and permanently enjoined from (i) asserting against the Debtors, the Buyers, their respective affiliates, estates, successors, or assigns, or the property of any of them, any default existing as of the Closing, and (ii) exercising any rights or remedies against any Debtor or the Buyers based on an asserted default that occurred on, prior to, or as a result of, the Closing, including the type of default specified in section 365(b)(1)(A) of the Bankruptcy Code. The Buyers have provided adequate assurance of future performance under the Assigned Contracts within the meaning of sections 365(b)(1)(c) and 365(f)(2)(B) of the Bankruptcy Code. Accordingly, all of the requirements of sections 365(b) and 365(f) of the Bankruptcy Code have been satisfied for the assumption by the Debtors, and the assignment by the Debtors to the applicable Buyer, of each of the Assigned Contracts.

24. To the extent a non-Debtor counterparty to an Assigned Contract fails to timely object to a Cure Cost, such Cure Cost has been and shall be deemed to be finally determined and any such non-Debtor counterparty shall be prohibited from challenging, objecting to, or denying the validity and finality of the Cure Cost at any time. Consistent with the Bidding Procedures Order and the Settlement Order, the non-Debtor counterparty to an Assigned Contract is forever bound by the applicable Cure Cost and, upon payment of such Cure Cost as provided herein and in the BSAAs, is hereby enjoined from taking any action against the Buyers, and the Debtors or their estates (or any successor thereto) with respect to any claim for cure under such Assigned Contract. To the extent no timely Contract Objection has been filed and served on the Debtors and the applicable Buyer with respect to an Assigned Contract, the non-Debtor

counterparty to such Assigned Contract is deemed to have consented to the assumption and assignment of such Assigned Contract to the applicable Buyer.

25. Without limiting the foregoing, each person or entity who holds a Consent Right will be (i) forever barred from objecting to the transfer, sale, assumption, and assignment of the Debtors' right, title, and interest in, to and under the Purchased Assets to be sold or the Assigned Contracts to be assumed and assigned in connection with the applicable Sale Transaction, free and clear of the Liens, Claims, Encumbrances, and Interests, including any Consent Rights (other than Assumed Liabilities, Permitted Encumbrances, and as otherwise provided in the applicable BSAA), (ii) deemed to consent to and approve the transfer, sale, and/or assumption and assignment of the Debtors' right, title, and interest in, to and under such Purchased Assets free and clear of the Liens, Claims, Encumbrances, and Interests, including any Consent Rights (other than Assumed Liabilities, Permitted Encumbrances, and as otherwise provided in the applicable BSAA); and (iii) deemed to waive any termination right arising from the sale, disposition, transfer or closure by the Debtors of the Debtors' property or assets.

26. **Contract Objections.** If a non-Debtor counterparty to any Assigned Contract files a Contract Objection to the assumption and assignment of such Assigned Contract to the applicable Buyer, then such contract shall be deemed a "**Disputed Contract.**" The Debtors and the applicable Buyer shall be authorized to resolve or settle any Contract Objection to the assumption and assignment of Disputed Contracts in accordance with the terms of the applicable BSAA, the Settlement Order and this Order, including with respect to Cure Costs and/or adequate assurance of future performance under the Assigned Contracts without need for any further order or action from this Court. Once any objection to a Disputed Contract is resolved, the Disputed

Contract shall be, subject to the terms of this Order, assigned to the applicable Buyer without the need for a further notice or order from this Court.

27. Assignment of Disputed Contracts. At each Buyer's sole express written election, any Disputed Contract that is the subject of an unresolved Cure Objection may be assumed and assigned prior to the resolution of such Cure Objection, so long as the applicable Buyer (i) pays any undisputed Cure Costs at the time of assumption and assignment of such Disputed Contract and (ii) appropriately reserves funding for the disputed portion of the Cure Costs pending resolution of the dispute. For the avoidance of doubt, subject in all respects to payment requirements with respect to the Facility Contracts (as defined in the Settlement Order) as set forth in the Global Settlement, nothing in this Order shall require any Buyer to take an assignment of or pay or reserve Cure Costs relating to a Disputed Contract subject to an unresolved Cure Objection, and the Buyers may elect to delay assumption and assignment of the Disputed Contract pending resolution of the pending objection or decline that such Disputed Contract be assumed and assigned. In accordance with the Settlement Order, the Debtors shall have no obligation to (i) make payments under any Facility Contract, including any Disputed Contract, that are not funded by the Buyers, and nothing contained in this Order or the Global Settlement shall limit the Debtors' rights to seek to reject any Facility Contract, or (ii) extend or renew any Facility Contract, in the case of (i) or (ii), unless the applicable Buyer pays to the applicable non-Debtor counterparty in a timely fashion as they become due and payable all go-forward expenses to be incurred under such Facility Contract prior to the applicable Buyer consenting to rejection thereof. From each applicable Closing Date to the earlier of (i) the date such Facility Contract is assigned to the Buyers or (ii) the Debtors' rejection of the applicable Facility Contract following (a) December 15, 2024 or (b) notice from the Buyers of their intent not to take assignment of such Facility Contract

(the “**Contract Obligation Period**”), the Buyers shall timely pay and perform all obligations attributable to goods or services provided to the Buyers during the Contract Obligation Period (including any fees and expenses payable under or otherwise relating to the applicable Facility Contract, if any, necessary to maintain the applicable Facility Contract and the rights and benefits thereunder during such period). For the avoidance of doubt, nothing in this Order shall relieve the Debtors’ obligations under section 365 of the Bankruptcy Code, if any, with respect to Facility Contracts, and all rights and defenses of the Debtors and counterparties to the Facility Contracts with respect thereto are preserved.

28. Reserved.

29. **No Successor Liability.** The Buyers have given substantial consideration under the BSAAs, which consideration shall constitute valid, valuable, and sufficient consideration for the absolution from any potential claims of successor liability of the Buyers to the greatest extent allowed by applicable law and neither the Buyers nor any of their respective affiliates shall be deemed to: (a) be a legal successor, or otherwise deemed to be a successor, to any of the Debtors under any theory of law or equity; (b) have, *de facto* or otherwise, merged with or into any or all of the Debtors or their estates; (c) deemed to be an alter ego of have a common identity or a continuity of enterprise with any of the Debtors or (d) be a mere continuation or substantial continuation, or be holding itself out as a mere continuation, of the Debtors or any business, enterprise, or operation of the Debtors, including with respect to clause (a) through (e) of this paragraph, within the meaning of any foreign, federal, state or local revenue, pension, ERISA, tax, labor, employment, environmental, products liability or other law, doctrine rule or regulation (including any filing requirements under any such laws, rules or regulations) with respect to the Debtors’ liability under such law, doctrine, rule or regulation. Upon the Closing, to the maximum

extent available under applicable law, the Buyers' acquisition of the Purchased Assets shall be free and clear of any "successor liability" claims and other types of transferee liability of any nature whatsoever, whether known or unknown and whether asserted or unasserted at the time of Closing (other than, to the extent applicable, any Assumed Liabilities, Permitted Encumbrances or as otherwise expressly provided in the applicable BSAA), and the Purchased Assets shall not be subject to any Liens, Claims, Encumbrances, and Interests arising under or in connection with any Excluded Asset or Excluded Liability, except as set forth in paragraph 17 of this Order. The operations of the Buyers and their respective affiliates shall not be deemed a continuation of the Debtors' business as a result of the acquisition of the Purchased Assets.

30. **MPT Real Property Liens.** Any valid and perfected lien on the MPT Real Property underlying the Purchased Assets remains in full force and effect and is not discharged pursuant this Order.

31. **Surrender of Possession.** Any and all Purchased Assets in the possession or control of any person or entity, including any vendor, supplier, or employee of the Debtors shall be transferred to the applicable Buyer free and clear of the Liens, Claims, Encumbrances, and Interests (other than Assumed Liabilities, Permitted Encumbrances, and as otherwise provided in the applicable BSAA), with such Liens, Claims, Encumbrances, and Interests attaching to the proceeds attributable to the Purchased Assets encumbered by such Liens, Claims, Encumbrances, and Interests with the same nature, validity, priority, extent, perfection, and force and effect that such Liens, Claims, Encumbrances, and Interests encumbered the Purchased Assets immediately prior to the entry of this Order, and shall be delivered to the Buyers and deemed delivered at the time of Closing (or such other time as provided in the BSAAAs), with such costs of delivery allocated in accordance with the BSAAAs.

32. Retention of Jurisdiction. The Court retains jurisdiction to hear and determine all matters arising from or related to the implementation, interpretation, or enforcement of this Order, the BSAs, the Sale Transactions, the Bidding Procedures Order, and the Settlement Order; *provided* that the United States' rights to challenge the Court's jurisdiction under applicable law are preserved.

33. Immediate Effect. Notwithstanding Bankruptcy Rules 6004(h) and 6006(d), this Order shall be effective and enforceable immediately upon entry and its provisions shall be self-executing. In the absence of any person or entity obtaining a stay pending appeal, the Debtors and the Buyers are free to close the Sale Transactions under the BSAs at any time pursuant to the terms thereof.

34. Failure to Specify Provisions. The failure to specifically reference any particular provisions of the BSAs or other related documents in this Order shall not diminish or impair the effectiveness of such provisions, it being the intent of the Court that the BSAs and other related documents be authorized and approved in their entirety.

35. Release of Liens, Claims, Encumbrances, and Interests. Effective upon the Closing Date, this Order (i) is and shall be effective as a determination that all Liens, Claims, Encumbrances, or Interests (other than Assumed Liabilities, Permitted Encumbrances, and as otherwise provided in the applicable BSAA) of any kind or nature whatsoever existing as to the Purchased Assets prior to the Closing Date have been unconditionally released, discharged, and terminated (with such Liens, Claims, Encumbrances, and Interests attaching to the proceeds attributable to the Purchased Assets encumbered by such Liens, Claims, Encumbrances, and Interests with the same nature, validity, priority, extent, perfection, force and effect that such claims, encumbrances, liens or liabilities encumbered the Purchased Assets immediately prior to

the entry of this Order) and that the conveyances described herein have been effected, and (ii) is and shall be binding upon and shall govern the acts of all entities, including all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, registrars of deeds, administrative agencies or units, governmental departments or units, secretaries of state, federal, state and local officials and all other persons and entities who may be required by operation of law, the duties of their office, or contract, to accept, file, register or otherwise record or release any documents or instruments, or who may be required to report or insure any title or state of title in or to the Purchased Assets conveyed to the applicable Buyer (all such entities being referred to as "**Recording Officers**"), and all recorded claims, encumbrances, liens or liabilities (other than the Assumed Liabilities and as otherwise provided in the applicable BSAA) against the Purchased Assets shall be deemed stricken from such entities records, official and otherwise. Effective as of the Closing, all Recording Officers are authorized and specifically directed to strike recorded encumbrances, claims, liens, pledges, and other interests against the Purchased Assets recorded prior to the date of this Order. Effective as of the Closing, a certified copy of this Order may be filed with the appropriate Recording Officers to evidence cancellation of any recorded encumbrances, claims, liens, pledges, and other interests against the Purchased Assets recorded prior to the date of the Closing. All Recording Officers are hereby directed to accept for filing any and all of the documents and instruments necessary, advisable or appropriate to consummate the transactions contemplated by the applicable BSAA, subject to the payment of any filing or other fee imposed under non-bankruptcy law.

36. Approval to Release Liens, Claims, Encumbrances, or Interests. The provisions of this Order authorizing the sale and transfer of the Purchased Assets free and clear of Liens, Claims, Encumbrances, and Interests (other than any Permitted Liens and Assumed

Liabilities expressly assumed under, or expressly permitted by, the applicable BSAA) shall be self-executing, and neither the Debtors nor the Buyers shall be required to execute or file releases, termination statements, assignments, consents or other instruments in order to effectuate, consummate or implement the provisions of this Order. For the avoidance of doubt, on or after the Closing Date, all entities, including without limitation all trustees or collateral agents, are authorized and directed to file and/or execute lien releases, including financing statement terminations, mortgage releases or other documents or agreements evidencing release of Liens, Claims, Encumbrances, or Interests in or against the Purchased Assets (other than Assumed Liabilities, Permitted Encumbrances, and as otherwise expressly provided in the applicable BSAAAs). If any person or entity that has filed financing statements, mortgages, mechanic's liens, or other documents or agreements evidencing Liens, Claims, Encumbrances, or Interests in or against the Purchased Assets (other than Assumed Liabilities, Permitted Encumbrances, and as otherwise provided in the applicable BSAA) shall not have delivered to the Debtors before the Closing Date, in proper form for filing and executed by the appropriate parties, termination statements, instruments of satisfaction, releases of liens and easements, and any other documents necessary for the purpose of documenting the release of all Liens, Claims, Encumbrances, and Interests in or against the Purchased Assets (other than Assumed Liabilities, Permitted Encumbrances, and as otherwise provided in the applicable BSAA) that the person or entity has or may assert with respect to the Purchased Assets, the Debtors and the Buyers are hereby authorized to execute and file such statements, instruments, releases, and other documents on behalf of such person or entity with respect to the Purchased Assets. The Buyers are hereby authorized to file, register, or otherwise record a certified copy of this Order, which, once filed, registered, or otherwise recorded, shall constitute conclusive evidence of the release of Liens,

Claims, Encumbrances, and Interests in or against the Purchased Assets (other than Assumed Liabilities, Permitted Encumbrances, and as otherwise provided in the applicable BSAA). This Order is deemed to be in recordable form sufficient to be placed in the filing or recording system of each and every federal, state, or local government agency, department, or office.

37. **No Effect on Governmental Regulatory Authority.** Nothing in this Order or the BSAs authorizes the transfer or assignment of any federal governmental (a) license, (b) permit, (c) registration, (d) authorization, or (e) approval, or the discontinuation of any obligation thereunder, without compliance with all applicable legal requirements and approvals under police or regulatory law. Nothing in this Order divests any tribunal of any jurisdiction it may have under police or regulatory law to interpret this Order or to adjudicate any defense asserted under this Order. For the avoidance of doubt, the matters preserved by this paragraph are subject to all rights and defenses available under applicable law.

38. Nothing in this Order or related documents discharges, releases, precludes, or enjoins: (i) any liability to any governmental unit as defined in 11 U.S.C. § 101(27) (“**Governmental Unit**”) that is not a Claim; (ii) any Claim of a Governmental Unit first arising on or after the Closing Date; (iii) any liability to a Governmental Unit under police and regulatory statutes or regulations first arising after the Closing Date that any entity would be subject to as the owner or operator of property after the Closing Date; or (iv) any liability to a Governmental Unit on the part of any Person other than the Debtors and, to the extent provided in this Order, the Buyers (including, for the avoidance of doubt, as provided for in paragraph 6 hereof). Notwithstanding any other provisions herein, any rights of the State of Texas and its agencies (including the Texas Health and Human Services Commission) to assert and defend against setoff or recoupment, and the Debtors’ rights and defenses with respect thereto, are reserved. Further,

nothing in this Order shall enjoin or otherwise bar a Governmental Unit from asserting or enforcing, outside this Court, any liability described in the preceding sentence. Notwithstanding anything else in this paragraph 38, any successor liability of the Buyers under the Medicare Provider Agreements shall be limited to those amounts provided in paragraph 17 of this Order.

39. Nothing in this Order or the BSAAs shall prejudice the rights of the Committee with respect to any Challenge⁸, including but not limited to with respect to Master Lease I (or any other lease), subject to the terms of the Settlement Order and the Global Settlement. Notwithstanding anything to the contrary in this Order or the BSAAs, all rights of the Committee with respect to a Challenge regarding Master Lease I (or any other lease), including but not limited to whether Master Lease I (or any other lease) is a true lease, whether Master Lease I (or any other lease) is a unitary lease, or the nature, validity, extent, or priority of any claims in respect of Master Lease I (or any other lease), and any remedies associated with a successful Challenge regarding Master Lease I (or any other lease) are expressly preserved, subject to the terms of the Settlement Order and the Global Settlement; *provided* that no such Challenge shall seek to require the Buyers to deliver the MPT Real Property back to the Debtors or the MPT Lessors or seek to terminate any lease between the Buyers and the MPT Lessors. Further, nothing in this Order shall enlarge, expand, or otherwise modify the Committee's rights to any Challenge or in any way impair MPT's defenses, objections or responses to any Challenge.

⁸ “Challenge” shall have the meaning ascribed to it in the *Final Order* (i) *Authorizing the Debtors to (a) Obtain Junior Lien Postpetition Financing, (b) Use Cash Collateral, and (c) Grant Liens and Provide Superpriority Administrative Expense Claims; (ii) Granting Adequate Protection to Certain Prepetition Secured Parties; (iii) Modifying the Automatic Stay; and (iv) Granting Related Relief* (Docket No. 625) and the *Final Order* (i) *Authorizing the Debtors to (a) Obtain New Postpetition Financing, (b) Use Cash Collateral, and (c) Grant Liens and Provide Superpriority Administrative Expense Claims; (II) Granting Adequate Protection to Certain Prepetition Secured Parties; (iii) Modifying the Automatic Stay; and (iv) Granting Related Relief* (Docket No. 1538)

40. Nothing in this Order shall affect any party's rights, claims, defenses, or arguments with respect to any sales or conveyances other than the Sale Transactions.

41. **Satisfaction of Conditions Precedent.** Neither the Buyers or the Debtors shall have an obligation to close the Sale Transactions until all conditions precedent in the BSAAAs (as modified by this Order) to each of their respective obligations to close the Sale Transactions have been satisfied or waived in accordance with the terms of the applicable BSAA (as may be modified by this Order).

42. **Cigna.** Notwithstanding anything in this Order or any notice related thereto to the contrary, neither the Cigna Contracts, as identified in the *Objection of Cigna to the Notice of Cure Costs and Potential Assumption and Assignment of Executory Contracts and Unexpired Leases in Connection With Sale* (Docket No. 904), the *Objection of Cigna to the Second Supplemental Notice of Cure Costs and Potential Assumption and Assignment of Executory Contracts and Unexpired Leases in Connection With Sale* (Docket No. 1579), and the *Objection of Cigna to the Notice of Cure Costs and Potential Assumption and Assignment of Executory Contracts and Unexpired Leases in Connection With Sale* (Docket No. 1703) (collectively, the “**Cigna Objections**”), nor the Cigna Listings (as defined in the Cigna Objections) shall be assumed and assigned pursuant to this Order, and the Cigna Objections are hereby adjourned. If the Debtors and the Buyers seek to have any or all of the Cigna Contracts and/or Cigna Listings assumed and assigned as part of the Sale Transactions under this Order, the assumption, assignment and cure issues related to such assumption and assignment shall be resolved by agreement (email shall suffice) between Cigna (as defined in the Cigna Objection), the Debtors and the Buyers without further order of the Court or, if no agreement can be reached, by further order of the Court.

43. **Chubb.** Notwithstanding anything to the contrary in the Motion, the Bidding Procedures Order, the Global Bidding Procedures, the Assumption and Assignment Procedures, the BSAs, any Cure Notice(s) and/or Supplemental Cure Notice(s) (or any list of contracts proposed to be assumed and assigned or any list of proposed Cure Costs), this Order, or any documents relating to any of the foregoing, (a) none of the insurance policies that have been issued by ACE American Insurance Company, ACE Property and Casualty Insurance Company, Pacific Employers Insurance Company, Westchester Fire Insurance Company, Insurance Company of North America, Indemnity Insurance Company of North America, Westchester Surplus Lines Insurance Company, Illinois Union Insurance Company, Western Fire Insurance Company, Federal Insurance Company, Executive Risk Indemnity Inc., Pacific Indemnity Company, Chubb National Insurance Company, any of their U.S.-based affiliates, and/or any predecessors of any of the foregoing (collectively, the “**Chubb Companies**”) to, or that provide coverage to, any of the Debtors at any time and all agreements, documents or instruments relating thereto (collectively, the “**Chubb Insurance Contracts**”), and/or, except as set forth in this paragraph, none of the rights, proceeds, benefits, claims, rights to payments and/or recoveries under such Chubb Insurance Contracts shall be sold, assigned, or otherwise transferred to the Buyers in connection with the Sale Transactions nor shall be deemed to be either Assigned Contracts nor a portion of any of the Purchased Assets; (b) nothing shall alter, amend or otherwise modify the terms or conditions of the Chubb Insurance Contracts; and (c) for the avoidance of doubt, the Buyers shall not be deemed to be an insured under any of the Chubb Insurance Contracts.

44. **ASIC.** Nothing in this Order or any BSAA authorized by this Order authorizes the transfer, assignment or modification of (i) any surety bond (“**ASIC Bond**”) issued

by Atlantic Specialty Insurance Company (“ASIC”) for the obligations of any Debtor, (ii) any indemnity agreement issued by any Debtor to ASIC (“**ASIC Indemnity Agreement**”), or (iii) any cash collateral granted to ASIC under the ASIC Indemnity Agreement. The Debtor and ASIC reserve all rights with respect to any ASIC Bond, any ASIC Indemnity Agreement or any cash collateral granted under the ASIC Indemnity Agreement.

45. **Werfen.** Notwithstanding anything herein or in the BSAAs, the Sale Transactions shall exclude all property owned by Werfen USA LLC or Immucor, Inc. (collectively, “**Werfen**” and such equipment, the “**Werfen Equipment**”) under that certain *Echo Advantage Plus Agreement No. 9979* dated as of January 2, 2024 (the “**Werfen Equipment Lease**”). Prior to the Closing Date, the Debtors, the Buyers, and Werfen shall use commercially reasonable efforts to reach agreement regarding the removal, disposition, use, or retention of Werfen Equipment (including any assignment and assumption of the respective Werfen contracts to new operators). Within forty-five (45) days after the Closing Date, Buyer must remove all marks or content, to the extent not a Purchased Asset, of Seller and its Affiliates from such social media accounts.

5.3 Confidentiality. It is understood by the Parties that the Confidentiality Agreement will survive the execution and delivery of this Agreement and will terminate pursuant to the terms of the Confidentiality Agreement. To the extent that any press releases or public announcements are to be issued or made relating to the Contemplated Transactions, the timing and content of such press releases and public announcements shall be mutually agreed between each Party hereto.

5.4 Seller Employees. As of the Effective Time, Seller and Buyer shall enter into an Employee Lease Agreement, and each Seller Party and Buyer shall enter into an Employee Lease Agreement, pursuant to which Seller and Seller Party shall continue to employ certain Seller Employees for the benefit of Buyer, pursuant to and in accordance with the Employee Lease Agreement, until the Employee Transition Time. During the term of the Employee Lease Agreement, subject to Buyer's standard hiring practices and policies (including but not limited to background checks, drug screens and a general prohibition against hiring employees who were previously released for cause from employment with Buyer or their Affiliates), Buyer will make offers of employment to substantially all of the persons who are Seller Employees eligible for hire by Buyer, with such offers of employment to be effective on or prior to the Employee Transition Date, provided that with respect to all of the persons who are Seller Employees and are on short-term or long-term disability or on leave of absence pursuant to Seller's or Seller Party's policies, the Family and Medical Leave Act of 1993 or other similar Law as of the Effective Time (each, an "Employee on Leave"), such offers of employment shall be made effective as of the date that the person reports back to work at the Business on an active basis within one hundred eighty (180) days after the Effective Time (or such longer time as is required by applicable Law).

(b) As of the Employee Transition Date or, with respect to any Employee on Leave, upon the date such Employee on Leave becomes a Transferred Employee (such date, in each case, the "Employee Effective Time"), Seller and each Seller Party shall terminate all Seller Employees. The term "Transferred Employee" as used in this Agreement means a Seller Employee who accepts employment with Buyer as of the Employee Effective Time (and with respect to any Employee on Leave, as of the date such Employee on Leave so reports back for work).

(c) As of the Employee Effective Time, for each Transferred Employee who is a party to an employment or similar Contract (each, an "Employee Obligation"), Buyer shall honor the terms of such Employee Obligations.

(d) Subject to the requirements of any applicable Collective Bargaining Agreement, for a period of at least twelve (12) months following the date hereof (or such longer period as may be required by applicable Collective Bargaining Agreement and/or Law), each Transferred Employee that is not party to an Employee Obligation shall be entitled to receive from the Buyer (i) at least the same salary and wages as were provided to such employee by Seller or Seller Party immediately prior to the date hereof by Seller or a Seller Party, (ii) employee benefits substantially comparable in the aggregate to the employee benefits provided to each Transferred Employee immediately prior to the date hereof by Seller or Seller Party and (iii) responsibilities consistent with their then-current job title and reporting structure immediately prior to the date hereof. For each Transferred Employee subject to an Employee Obligation, Buyer shall honor the terms of employment, union or other contracts for those Transferred Employees who have such agreements. For the avoidance of doubt, nothing contained herein modifies the terms of any Collective Bargaining Agreement.

(e) Buyer hereby assumes or retains, as the case may be, any and all Liabilities (contingent or otherwise) relating to, arising out of, or resulting from the employment or services, or termination of employment or services, of any Seller Employee, including accrued and unpaid wages or salary, accrued and unused vacation, sick days and paid time off against Seller or a Seller Party, in each case, with respect to any Seller Employee, irrespective of when such claims are made. Buyer shall pay the

applicable Transferred Employees the unpaid portion of any Transferred Employee's bonus for the 2024 calendar year at the same time such bonuses are paid to such Transferred Employee in the ordinary course of business consistent with past practices.

(f) Buyer hereby assumes each Collective Bargaining Agreement governing the terms and conditions of employment of the employees represented by a union or other labor organization ("Union Represented Employees"), hereinafter referred to as the "Assumed CBAs." Buyer has delivered offers of employment to Union Represented Employees (i) in accordance with Section 5.4(a) and Section 5.4(d), or alternatively negotiated in good faith with the applicable union or other labor organization to deem such offers of employment to have been made to the Union Represented Employees and (ii) containing the terms and conditions of employment contained in the Assumed CBAs.

(g) Buyer agrees to recognize each Transferred Employee's date of hire by Seller or a Seller Party, as applicable, as the anniversary date of record with Buyer and to honor that seniority for purposes of eligibility, vesting and prospective benefit accrual on or after the date hereof under Buyer employee benefit plans and policies, but excluding any defined benefit pension plan within the meaning of Section 3(35) of ERISA and any retirement plan intended to be qualified under Section 401 (including any 401(k) plan). Buyer will waive the customary waiting periods under its welfare and 401(k) plans for the Transferred Employees and their eligible spouses and dependents under any employee benefit plan, program or arrangement of Buyer, and, subject to each Transferred Employee's election of coverage, participation in Buyer's benefit plans shall begin as of the Employee Effective Time for each Transferred Employee who is in an eligible class as defined under the respective Buyer benefit plans. To the extent lawful and subject to the approval of any applicable insurer, Buyer shall (i) honor the Transferred Employees' prior service credit under Seller's or Seller Party's current welfare plans for purposes of satisfying pre-existing condition limitations in Buyer's welfare benefit plans, and (ii) with respect to the 2024 calendar year, recognize any out-of-pocket expenses (including deductibles, co-pays, and out of pocket maximums) incurred by each of the Transferred Employees and their eligible dependents under any Plans that are welfare benefit plans prior to the date hereof for purposes of determining deductibles, co-pays and out-of-pocket maximums under Buyer's applicable medical and welfare benefit plans on and after the date hereof. For purposes of eligibility to participate in Buyer's retirement plans, Buyer shall honor prior length of service for each Transferred Employee that meets the eligibility requirements under Buyer's retirement plans, but Buyer will not make any contributions to Buyer's retirement plans for the Transferred Employees with respect to prior service.

(h) Subject to the terms and conditions of Buyer's applicable benefit plans, for each Seller Employee, Buyer shall carry over, and give credit for (or with respect to any Seller Employee who does not become a Transferred Employee pay to such Seller Employee on the date hereof or, if permitted under applicable Law, promptly after the date hereof), the unused Paid Time Off of such Seller Employee as of immediately prior to the Employee Effective Time (the aggregate number of hours of Paid Time Off assumed by Buyer for all Seller Employees pursuant to this Section 5.4(h), the "Assumed Paid Time Off").

(i) Buyer shall be solely responsible for complying with the WARN Act and any and all obligations under other applicable Laws requiring notice of plant closings, relocations, mass layoffs, reductions in force or similar actions (and for any failures to so comply), in any case, applicable to Seller Employees as a result of any action by Buyer following the Transition Time.

(j) Notwithstanding any provision herein to the contrary, no term of this Agreement shall be deemed to (i) create any Contract with any Transferred Employee; (ii) give any Transferred Employee the right to be retained in the employment of Buyer or any of its Affiliates; (iii) interfere with Buyer's right to terminate the employment of any Transferred Employee at any time; or (iv) obligate Buyer or any of its Affiliates to adopt, enter into or maintain any employee benefit plan or other compensatory

plan, program or arrangement at any time. Nothing in this Agreement shall diminish Buyer's right to change or terminate its policies regarding employment matters at any time or from time to time.

5.5 Post-Closing Access to Information; Communication with Governmental Authorities.

(a) Buyer and Seller acknowledge that prior to the end of the Post-Closing Period, Buyer and Seller may need access to information, documents or computer data in the control or possession of the other, including for the purpose of satisfying their obligations in connection with the Chapter 11 Cases, and Seller may need access to records that are a part of the Purchased Assets for purposes of concluding the Contemplated Transactions and for audits, investigations, compliance with applicable Law or an Order of the Bankruptcy Court and requests from Governmental Authorities, and the prosecution or defense of claims made by third parties. Accordingly, Buyer agrees that, except to the extent necessary to comply with any applicable Law or an Order of the Bankruptcy Court, it will timely make available to Seller and its respective Representatives the Books and Records and such information, documents and computer data as may be available relating to the Purchased Assets and the Business in respect of periods prior to the Effective Time and will permit Seller (or its Representatives) to make copies of such Books and Records, information, documents and computer data. Notwithstanding the foregoing, all disclosures of information shall be consistent with the Confidentiality Agreement, all common interest agreements, joint defense agreements, and any other confidentiality, clean room or nondisclosure agreements entered into among any of the Parties or their respective Affiliates. The Parties agree that the cost of compliance with this provision shall be governed by the Transition Services Agreement.

(b) Buyer shall assume all legal responsibility for, and shall preserve, the Books and Records (including, but not limited to, patient records) for the greater of: (i) seven (7) years from the date of such record; (ii) as may be required by applicable Law, including but not limited to, the statute of limitations governing the time period afforded to bring professional liability claims in Texas or as is necessary to administer the Chapter 11 Cases; or (iii) such longer period as may be required in connection with any known or threatened investigation or Proceeding, including any professional liability claims. Thereafter, Buyer may dispose of such Books and Records only after Buyer has given Seller ninety (90) days' prior written notice of such impending disposition and the opportunity of Seller to remove and retain such Books and Records as permitted by applicable Law.

(c) Buyer shall cooperate with Seller, on a timely basis and as reasonably requested by Seller, in connection with the provision of all data of the Business and other information required by Seller for reporting to the DNV for the remainder of the quarterly period in which the Contemplated Transactions have occurred.

(d) To the maximum extent permitted by applicable Law, if any Person requests or demands, by subpoena or otherwise, any documents relating to the Excluded Liabilities, including documents relating to the operations of the Business or ownership of any of the Purchased Assets prior to the Effective Time, then to the extent allowable by applicable Law, prior to any disclosure of such documents, Buyer shall notify Seller and provide Seller with the opportunity to object to, such request or demand.

(e) To the extent practicable under the circumstances, neither Seller nor Buyer, as applicable, will agree to participate in any substantive call, meeting or conference with any Governmental Authority, or any member of the staff of any Governmental Authority, in respect of any filing, Proceeding,

investigation (including any settlement of the investigation), litigation, or other inquiry related to the Contemplated Transactions, provided that such responding Party (1) provides reasonable advance notice of such meeting to any other Party and (2) provides any such other Party an opportunity to attend or participate and, where permitted, allow any other Party to participate.

Buyer shall be responsible for submitting such billings to the applicable Government Program or Private Program for the entire portion of each of the Non-Interim Billing Transition Patients’ respective stays.

If Buyer receives any such CMS Program Payments, Buyer shall remit to Seller, Seller's pro rata share of such CMS Program Payments within five (5) Business Days after receipt by Buyer. If Seller receives any such CMS Program Payments, Seller shall remit Buyer's pro rata share of such CMS Program Payments to Buyer within five (5) Business Days after receipt by Seller. To the extent Buyer or one of its Affiliates is required to refund or repay any portion of any CMS Program Payments, Seller will pay to Buyer an amount equal to Seller's pro rata portion of the required refund or repayment within five (5) Business Days after notice to Seller of such amount due.

(d) Notwithstanding anything to the contrary in this Agreement neither Buyer nor Seller shall be entitled to recover any of the respective payments due and owing under this Section 5.8 by means of setoff against any amount owed by any other Party.

5.9 Waiver Program Payments. Buyer and Seller shall prorate any payments received by the Facilities after the Transition Time under Medicaid waiver or Medicaid supplemental payment programs as follows:

(a) Any such amounts that correspond to Federal Fiscal Years or state fiscal years, as applicable, ending prior to the Transition Time will be paid to Seller;

(b) Any such amounts that correspond to Federal Fiscal Years or state fiscal years, as applicable, beginning on or after the Transition Time will be paid to Buyer; and

(c) Any such amounts that correspond to the Federal Fiscal Year or state fiscal year, as applicable, during which the Transition Time occurs will be allocated between Buyer and Seller on a pro rata basis (based upon the number of days during such year that Seller operates the Facilities and the number of days during such year that Buyer operates the Facilities).

5.10 License to Use Billing Information. Until the end of the Post-Closing Period and, to the extent allowed by applicable Law, Seller grants Buyer and its Affiliates a license to use Seller's billing identification information (which information shall include Seller's name, Medicare and related Medicaid and TRICARE provider numbers, federal employer identification number, and such other information as may be reasonably necessary) ("**Seller's Billing Information**") for purposes of submitting claims to Medicare, Medicaid and TRICARE for services provided at the Facilities by Buyer or any of its Affiliates after the Effective Time. To the extent allowed by applicable Law, each such license shall be effective (a) for purposes of Medicare, until CMS and the applicable CMS Medicare administrative contractor approve Buyer's or its Affiliate's Medicare change of ownership application and issue a tie-in notice and approval letter acknowledging that Buyer (or its Affiliate) may be reimbursed for claims submitted using Buyer's (or such Affiliate's) billing identification information; and (b) for purposes of Medicaid and any other Government Programs, until the applicable Medicaid program(s) or program agent(s) approves Buyer's (or its Affiliate's) provider enrollment application and/or approves assignment of the applicable provider Contract and issues the appropriate notice acknowledging that Buyer (or its Affiliate) may be reimbursed by the applicable Medicaid or other Government Program for claims submitted using Buyer's (or its Affiliate's) identification information. So long as such license remains in effect, Seller (or its Affiliates) shall not act to: (i) terminate any of their billing identification information applicable to the Business except as required by applicable Law; (ii) close any accounts used by Seller prior to the Effective Time for purposes of receiving reimbursement; or (iii) cancel any electronic funds transfer agreements with respect to Medicare, Medicaid, TRICARE or any other Government Program applicable to the Business. All accounts receivable and monies collected in the name of Buyer and/or its Affiliates or the Facilities for services provided by Buyer (and/or its Affiliates) after the Effective Time shall belong to Buyer (and/or its Affiliates). Buyer shall, and shall cause each of its Affiliates to, indemnify, defend and hold harmless Seller and Seller's Affiliates against, and reimburse Seller and Seller's Affiliates for, all Liabilities incurred by Seller and any Seller's Affiliate in connection with Seller's obligations under this Section 5.10.

5.11 Medical Staff. To ensure continuity of care in the community, Buyer agrees that the operations of each Hospital's medical staff will be substantially unchanged as a result of the consummation of the Contemplated Transactions, including each Hospital's medical staff members in good standing as of the Effective Time will maintain, to the extent consistent with criteria adopted at other Buyer or Buyer Affiliate facilities, medical staff privileges without change in medical staff status (e.g., active, courtesy) at each respective Hospital as of the Effective Time and each Hospital's medical staff officers in place

immediately prior to the Effective Time will remain, to the extent consistent with criteria adopted at other Buyer or Buyer Affiliate facilities, in their same positions as of the Effective Time, *provided* that Buyer shall not be obligated to continue to maintain any Physicians and other Practitioners whose medical staff membership and/or clinical privileges have been terminated or not renewed by a Buyer or Buyer Affiliate facility. As of and after the Effective Time, each Hospital's medical staff will be subject to each Hospital's medical staff by-laws then in effect to the extent consistent with applicable Law.

5.12 Cooperation on Compliance Matters. Until the end of the Post-Closing Period, if any compliance matter is identified by a Party, whether through internal audit or otherwise, for which another Party hereto may bear responsibility or exposure (a "**Compliance Matter**"), then such Party shall provide prompt written notice to such other Party. Because any such Compliance Matter may impact Buyer and Seller, the Parties acknowledge that both Buyer and Seller shall have a common interest in fully resolving all such Compliance Matters and cooperating in good faith to do so. To the extent necessary to preserve attorney client privilege and work product doctrine relating to the investigation or resolution of any Compliance Matter, the Parties agree that a common interest privilege shall exist with respect to any communications relating to the investigation and resolution of the Compliance Matter and, to the extent necessary and requested by any Party or its counsel, the Parties and their respective counsel shall enter into a written agreement to memorialize this common interest privilege existing among them relating to the Compliance Matter. The Parties will thereafter cooperate reasonably with each other in any internal investigations or audits and shall make available to the other, as reasonably requested, any and all relevant information and, further, shall provide personnel as may be reasonably necessary and appropriate for purposes of analyzing and resolving such Compliance Matter. In order to ensure the accuracy of any report of any Compliance Matter to a third party, the Parties agree that neither shall make any such report or disclosure to, or in respect of, any federally-funded or state-funded health care program, including Medicare, Medicaid, and TRICARE, or private third party payor or any other Governmental Authority with regulatory oversight with respect to any Compliance Matter which might give rise to Liability of the other Party without at least thirty (30) days' prior written notice to, and participation and approval of the report by, such other Party. All Parties agree to cooperate fully and in good faith as necessary in the resolution of all Compliance Matters, and Buyer and Seller shall each bear its own expenses in connection therewith.

5.13 Post-Closing Receipt of Assets or Excluded Assets.

(a) In addition to any misdirected payments referenced in Section 5.7, Section 5.8 or Section 5.9 to which Seller is entitled, any asset or any Liability, all other remittances and all mail and other communications that is an Excluded Asset or an Excluded Liability (i) pursuant to the terms of this Agreement or (ii) absent such agreement, as finally determined by the Bankruptcy Court pursuant to Section 8.2, and which comes into the possession, custody or control of Buyer (or its respective successors-in-interest, assigns or Affiliates) shall within five (5) Business Days following receipt be transferred, assigned or conveyed by Buyer (and its respective successors-in-interest, assigns and Affiliates) to Seller at Seller's cost. Until such transfer, assignment and conveyance, Buyer and its successors-in-interest, assigns and Affiliates, shall not have any right, title or interest in or obligation or responsibility with respect to such asset or Liability except that Buyer shall hold such asset in trust for the benefit of Seller. Buyer, and its successors-in-interest, assigns and Affiliates, shall have neither the right to offset amounts payable to Seller under this Section 5.13(a) against, nor the right to contest its obligation to transfer, assign and convey to Seller because of, outstanding claims, Liabilities or obligations asserted by Buyer against Seller.

(b) In addition to any misdirected payments referenced in Section 5.7, Section 5.8 or Section 5.9 to which Buyer is entitled, any asset or any Liability, all other remittances and all mail and other communications that is an Purchased Asset or an Assumed Liability (i) pursuant to the terms of this Agreement or (ii) absent such agreement, as finally determined by the Bankruptcy Court pursuant to Section 8.2, and which comes into the possession, custody or control of Seller (or its successors-in-interest, assigns

or Affiliates) shall within five (5) Business Days following receipt be transferred, assigned or conveyed by Seller (and its successors-in-interest, assigns and Affiliates) to Buyer at Buyer's cost. Until such transfer, assignment and conveyance, Seller and its successors-in-interest, assigns and Affiliates shall not have any right, title or interest in or obligation or responsibility with respect to such asset or Liability except that Seller shall hold such asset in trust for the benefit of Buyer. Seller or any Seller Affiliates and their respective successors-in-interest and assigns shall have neither the right to offset amounts payable to Buyer under this Section 5.13(b) against, nor the right to contest its obligation to transfer, assign and convey to Buyer because of, outstanding claims, Liabilities or obligations asserted by Seller against Buyer.

5.14 Closing Financials. Buyer shall cause the chief financial officer(s) of the Facilities to complete the standardized closing of Seller's financial records for the Business through the date hereof including, without limitation, the closing of general ledger account reconciliations in form and substance consistent with past practice (collectively, the "**Closing Financials**"). Buyer shall cause the chief financial officer(s) of the Facilities to use his or her good faith efforts to complete the Closing Financials by no later than the date which is thirty five (35) days after the date hereof. Seller shall reimburse Buyer for all reasonable, out-of-pocket and documented expenses of Buyer associated with the preparation of the Closing Financials. Such reimbursement shall occur no later than the date which is thirty (30) days after Buyer provides a written statement to Seller which details such charges and expenses.

5.15 Program Participation Assessments. The Parties acknowledge that Sellers are or may become liable for certain mandatory assessments, contributions, or expenditures to state and local government programs pertaining to the operation of the Hospitals (the "**Program Participation Assessments**"). With respect to such Program Participation Assessments, and subject to Sections 5.6, 5.7, 5.8, and 5.9, the Parties agree as follows:

(a) Buyer shall timely remit all Program Participation Assessments on behalf of the Hospitals.

(b) Contingent upon payment by Buyer of any Program Participation Assessments or expenditures to state and local government programs relating to Program Participation Assessments, Buyer shall be entitled to receive and retain all subsequent payments to be made in respect of the Hospitals as a result of Buyer's payment of such Program Participation Assessment, and Sellers acknowledge and agree that they are not entitled to any portion of such payments. In the event that Sellers receive any payments corresponding to a Program Participation Assessment that has been made by Buyer, Sellers hereby agree to promptly remit such amounts to Buyer.

6. SPECIFIC PERFORMANCE.

(a) The Parties agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. Accordingly, each Party agrees that, in the event of any breach or threatened breach by any other Party of any covenant or obligation contained in this Agreement, the non-breaching Party shall be entitled (in addition to any other equitable remedy that may be available to it) to obtain, without proof of actual damages, (i) a decree or other Order of specific performance to enforce the observance and performance of such covenant or obligation, and (ii) an injunction restraining such breach or threatened breach.

(b) Each Party acknowledges and agrees that (i) it will not oppose any equitable relief or equitable remedy referred to in this Section 6 on the grounds that any other remedy is available at law or in equity, and (ii) no Party will be required to obtain, furnish or post any bond or similar instrument in connection with or as a condition to obtaining any equitable relief or equitable remedy referred to in this

Section 6 (and it hereby irrevocably waives any right it may have to require the obtaining, furnishing or posting of any such bond or similar instrument).

Subject to the foregoing sentence, if the Parties agree upon an allocation of consideration among the Purchased Assets in accordance with Section 1060 of the Code and the Treasury Regulations thereunder (and any other relevant provisions of the Code or any similar provisions of state or local Law, as appropriate), the Parties shall (and shall cause their Affiliates to) file all Tax Returns (including IRS Form 8594) and otherwise report consistent with, and not take any position inconsistent with, such agreed allocation, provided that (a) for the avoidance of doubt, the Parties shall not be required to agree to any such allocation, and (b) neither Party shall be unreasonably impeded in its ability and discretion to negotiate, compromise and/or settle any Tax audit, investigation, examination, claim or similar proceedings in connection with such allocation.

7.2 Cooperation. Following the Effective Time, each Party shall cooperate with the other Party in connection with the preparation of any Tax Returns, the defense of any audit, investigation, examination, claim or similar proceeding related to Taxes, or any other matters with respect to Taxes, shall make available to the other Party, as reasonably requested, all information, records or documents relating to Taxes with respect to the Purchased Assets or the Business for all periods, and shall preserve or cause to be preserved all such information, records and documents at least until the expiration of any applicable statute of limitations or extensions thereof; provided that the obligations of Seller or any Seller Party under this Section 7.2 will cease as of the date upon which Seller or such Seller Party ceases to exist under applicable law.

7.3 Transfer Taxes. All Transfer Taxes shall be paid by Buyer in accordance with Section 8.7 when due, and all necessary Tax Returns and other documentation with respect to Transfer Taxes shall be prepared and filed by Buyer. If Seller, any Seller Party, or any of their Affiliates is required to pay any Transfer Tax, Buyer shall promptly reimburse such Seller, Seller Party or Affiliate thereof for such amount.

8.2 Choice of Law; Venue.

(a) The Parties agree that all disagreements, disputes or claims arising out of or relating to this Agreement or the Contemplated Transactions shall be governed by and construed in accordance with the applicable Laws of the State of Delaware without giving effect to any choice or conflicts of law provision or rule thereof that would result in the application of the applicable Laws of any other jurisdiction other than the applicable Laws of the United States of America, where applicable.

(b) Without limiting any Party's right to appeal any Order of the Bankruptcy Court, (i) the Bankruptcy Court shall retain exclusive jurisdiction to enforce the terms of this Agreement and to decide any Claim (as defined below) which may arise or result from, or be connected with, this Agreement, any breach or default hereunder, or the Contemplated Transactions, and (ii) any and all Proceedings related to the foregoing shall be filed and maintained only in the Bankruptcy Court, and the Parties hereby consent to and submit to the jurisdiction and venue of the Bankruptcy Court and shall receive notices at such locations as indicated in Section 8.1; provided, however, upon the closing of the Chapter 11 Cases, the Parties agree to unconditionally and hereby irrevocably submit to the exclusive jurisdiction of the Court of Chancery of the State of Delaware sitting in Wilmington, Delaware (or if such court declines to exercise such jurisdiction in any appropriate state or federal court in the State of Delaware sitting in Wilmington, Delaware) over any action, arbitration, charge, claim, complaint, demand, dispute, litigation or Proceeding arising from or relating to this Agreement (a "Claim"), and the Parties hereto hereby irrevocably agree that all Claims shall be heard and determined in such court. The Parties hereby irrevocably waive, to the fullest extent permitted by applicable Law, any objection that they may now or hereafter have to the laying of venue of any such dispute brought in such court or any defense of inconvenient forum for the maintenance

of such dispute. The Parties hereto agree that a final judgment with respect to any such Claim shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by applicable Law.

8.3 Benefit; Assignment; Delegation. Subject to provisions herein to the contrary, this Agreement shall inure to the benefit of and be binding upon the Parties and their respective legal representatives, successors and permitted assigns and delegates. No Party may assign any of its rights hereunder or delegate any of its duties hereunder without the prior written consent of the other Parties; provided, however, that Buyer and Seller, without the prior consent of the other Parties, may assign any of their respective rights hereunder or delegate any of its duties hereunder to such Party's Affiliates (as applicable), or, for collateral security purposes, to Persons providing financing to such Party or its Affiliates, but in such event, each such Party shall be required to remain obligated hereunder in the same manner as if such assignment or delegation had not been effected.

8.4 Waiver of Jury Trial. EACH OF THE PARTIES HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATED TO THIS AGREEMENT OR THE CONTEMPLATED TRANSACTIONS.

8.5 Legal Advice and Reliance. Except as expressly provided in this Agreement, none of the Parties (nor any of the Parties' respective Representatives) has made or is making any representations to any other Party (or to any other Party's Representatives) concerning the consequences of the Contemplated Transactions under applicable Laws, including Tax-related Laws or under the Laws governing the Government Programs. Except for the representations and warranties made in this Agreement, each Party has relied solely upon the Tax, Government Program and other advice of its own Representatives engaged by such Party and not on any such advice provided by any other Party.

8.6 No Survival. Except for any covenant that by its terms is to be performed (in whole or in part) by any Party following the Effective Time (which covenants shall survive the Effective Time in accordance with their terms), none of the representations, warranties, or covenants of any Party set forth in this Agreement shall survive, and each of the same shall terminate and be of no further force or effect as of, the Effective Time.

8.7 Cost of Transaction; Legal Fees and Cost of Disputes. Except as otherwise provided herein, the Parties agree that, whether or not the Contemplated Transactions shall be consummated: (a) Seller will pay the fees, expenses and disbursements of Seller and its respective Representatives incurred in connection with the subject matter hereof and any amendments hereto, and (b) Buyer will pay (i) the fees, expenses and disbursements of Buyer and its Representatives incurred in connection with the subject matter hereof and any amendments hereto; (ii) the fees incurred in connection with the HSR filing; and (iii) all Transfer Taxes.

8.8 Severability. If any provision of this Agreement is held to be illegal, invalid or unenforceable under any present or future Law, and if the rights or obligations of Buyer or Seller under this Agreement will not be materially and adversely affected thereby, (a) such provision will be fully severable, (b) this Agreement will be construed and enforced as if such illegal, invalid or unenforceable provision had never comprised a part hereof, (c) the remaining provisions of this Agreement will remain in full force and effect and will not be affected by the illegal, invalid or unenforceable provision or by its severance herefrom, and (d) in lieu of such illegal, invalid or unenforceable provision, there will be added automatically as a part of this Agreement a legal, valid and enforceable provision as similar in terms to such illegal, invalid or unenforceable provision as may be possible.

This Agreement (inclusive of Schedules), together with the other Transaction Documents, the Interim Management Agreement, and the Confidentiality Agreement and any other agreement which specifically references this Section 8.12, represent the entire agreement between the Parties with respect to the subject matter of this Agreement and supersede all prior or contemporaneous oral or written understandings, negotiations, letters of intent or agreements between the Parties. This Section 8.12 shall be deemed a "merger" clause under Delaware Law, and this Agreement (together with the other Transaction Documents and the Confidentiality Agreement) is intended as a complete integration of the agreement of the Parties. 8.13 Multiple Counterparts. This Agreement may be executed in any number of counterparts, each and all of which shall be deemed an original and all of which together shall constitute but one and the same instrument. The facsimile signature of any Party or other Person to this Agreement or any other Transaction Document or a PDF copy of the signature of any Party or other Person to this Agreement or any other Transaction Document delivered by electronic mail for purposes of execution or otherwise, is to be considered to have the same binding effect as the delivery of an original signature on an original contract.

8.14 Non-Recourse. All claims, obligations, Liabilities, actions or causes of action (whether in Contract or in tort, in law or in equity, or granted by statute) that may be based upon, in respect of, arise under, out or by reason of, be connected with, or relate in any manner to this Agreement, or the negotiation, execution, or performance of this Agreement (including any representation or warranty made in, in connection with, or as an inducement to, this Agreement), may be made only against (and are expressly limited to) the entities that are expressly identified as parties hereto in the preamble to this Agreement or, if applicable, their successors and assigns ("Contracting Parties"). performance, or breach; and, to the maximum extent permitted by Law, each Contracting Party hereby waives and releases all such claims, causes of action, obligations and other Liabilities against any such Nonparty Affiliates. 5.3 Confidentiality. It is understood by the Parties that the Confidentiality Agreement will survive the execution and delivery of this Agreement and will terminate pursuant to the terms of the Confidentiality Agreement. To the extent that any press releases or public announcements are to be issued or made relating to the Contemplated Transactions, the timing and content of such press releases and public announcements shall be mutually agreed between each Party hereto.

5.4 Seller Employees. As of the Effective Time, Seller and Buyer shall enter into an Employee Lease Agreement, and each Seller Party and Buyer shall enter into an Employee Lease Agreement, pursuant to which Seller and Seller Party shall continue to employ certain Seller Employees for the benefit of Buyer, pursuant to and in accordance with the Employee Lease Agreement, until the Employee Transition Time. During the term of the Employee Lease Agreement, subject to Buyer's standard hiring practices and policies (including but not limited to background checks, drug screens and a general prohibition against hiring employees who were previously released for cause from employment with Buyer or their Affiliates), Buyer will make offers of employment to substantially all of the persons who are Seller Employees eligible for hire by Buyer, with such offers of employment to be effective on or prior to the Employee Transition Date, provided that with respect to all of the persons who are Seller Employees and are on short-term or long-term disability or on leave of absence pursuant to Seller's or Seller Party's policies, the Family and Medical Leave Act of 1993 or other similar Law as of the Effective Time (each, an "Employee on Leave"), such offers of employment shall be made effective as of the date that the person reports back to work at the Business on an active basis within one hundred eighty (180) days after the Effective Time (or such longer time as is required by applicable Law).

(b) As of the Employee Transition Date or, with respect to any Employee on Leave, upon the date such Employee on Leave becomes a Transferred Employee (such date, in each case, the "Employee Effective Time"), Seller and each Seller Party shall terminate all Seller Employees. The term "Transferred Employee" as used in this Agreement means a Seller Employee who accepts employment with Buyer as of the Employee Effective Time (and with respect to any Employee on Leave, as of the date such Employee on Leave so reports back for work).

(c) As of the Employee Effective Time, for each Transferred Employee who is a party to an employment or similar Contract (each, an "Employee Obligation"), Buyer shall honor the terms of such Employee Obligations.

(d) Subject to the requirements of any applicable Collective Bargaining Agreement, for a period of at least twelve (12) months following the date hereof (or such longer period as may be required by applicable Collective Bargaining Agreement and/or Law), each Transferred Employee that is not party to an Employee Obligation, shall be entitled to receive from the Buyer (i) at least the same salary and wages as were provided to such employee by Seller or Seller Party immediately prior to the date hereof by Seller or a Seller Party, (ii) employee benefits substantially comparable in the aggregate to the employee benefits provided to each Transferred Employee immediately prior to the date hereof by Seller or Seller Party and (iii) responsibilities consistent with their then-current job title and reporting structure immediately prior to the date hereof. For each Transferred Employee subject to an Employee Obligation, Buyer shall honor the terms of employment, union or other contracts for those Transferred Employees who have such agreements. For the avoidance of doubt, nothing contained herein modifies the terms of any Collective Bargaining Agreement.

(e) Buyer hereby assumes or retains, as the case may be, any and all Liabilities (contingent or otherwise) relating to, arising out of, or resulting from the employment or services, or termination of employment or services, of any Seller Employee, including accrued and unpaid wages or salary, accrued and unused vacation, sick days and paid time off against Seller or a Seller Party, in each case, with respect to any Seller Employee, irrespective of when such claims are made. Buyer shall pay the

applicable Transferred Employees the unpaid portion of any Transferred Employee's bonus for the 2024 calendar year at the same time such bonuses are paid to such Transferred Employee in the ordinary course of business consistent with past practices.

(f) Buyer hereby assumes each Collective Bargaining Agreement governing the terms and conditions of employment of the employees represented by a union or other labor organization ("Union Represented Employees"), hereinafter referred to as the "Assumed CBAs." Buyer has delivered offers of employment to Union Represented Employees (i) in accordance with Section 5.4(a) and Section 5.4(d), or alternatively negotiated in good faith with the applicable union or other labor organization to deem such offers of employment to have been made to the Union Represented Employees and (ii) containing the terms and conditions of employment contained in the Assumed CBAs.

(g) Buyer agrees to recognize each Transferred Employee's date of hire by Seller or a Seller Party, as applicable, as the anniversary date of record with Buyer and to honor that seniority for purposes of eligibility, vesting and prospective benefit accrual on or after the date hereof under Buyer employee benefit plans and policies, but excluding any defined benefit pension plan within the meaning of Section 3(35) of ERISA and any retirement plan intended to be qualified under Section 401 (including any 401(k) plan). Buyer will waive the customary waiting periods under its welfare and 401(k) plans for the Transferred Employees and their eligible spouses and dependents under any employee benefit plan, program or arrangement of Buyer, and, subject to each Transferred Employee's election of coverage, participation in Buyer's benefit plans shall begin as of the Employee Effective Time for each Transferred Employee who is in an eligible class as defined under the respective Buyer benefit plans. To the extent lawful and subject to the approval of any applicable insurer, Buyer shall (i) honor the Transferred Employees' prior service credit under Seller's or Seller Party's current welfare plans for purposes of satisfying pre-existing condition limitations in Buyer's welfare benefit plans, and (ii) with respect to the 2024 calendar year, recognize any out-of-pocket expenses (including deductibles, co-pays, and out of pocket maximums) incurred by each of the Transferred Employees and their eligible dependents under any Plans that are welfare benefit plans prior to the date hereof for purposes of determining deductibles, co-pays and out-of-pocket maximums under Buyer's applicable medical and welfare benefit plans on and after the date hereof. For purposes of eligibility to participate in Buyer's retirement plans, Buyer shall honor prior length of service for each Transferred Employee that meets the eligibility requirements under Buyer's retirement plans, but Buyer will not make any contributions to Buyer's retirement plans for the Transferred Employees with respect to prior service.

(h) Subject to the terms and conditions of Buyer's applicable benefit plans, for each Seller Employee, Buyer shall carry over, and give credit for (or with respect to any Seller Employee who does not become a Transferred Employee pay to such Seller Employee on the date hereof or, if permitted under applicable Law, promptly after the date hereof), the unused Paid Time Off of such Seller Employee as of immediately prior to the Employee Effective Time (the aggregate number of hours of Paid Time Off assumed by Buyer for all Seller Employees pursuant to this Section 5.4(h), the "Assumed Paid Time Off").

(i) Buyer shall be solely responsible for complying with the WARN Act and any and all obligations under other applicable Laws requiring notice of plant closings, relocations, mass layoffs, reductions in force or similar actions (and for any failures to so comply), in any case, applicable to Seller Employees as a result of any action by Buyer following the Transition Time.

(j) Notwithstanding any provision herein to the contrary, no term of this Agreement shall be deemed to (i) create any Contract with any Transferred Employee; (ii) give any Transferred Employee the right to be retained in the employment of Buyer or any of its Affiliates; (iii) interfere with Buyer's right to terminate the employment of any Transferred Employee at any time; or (iv) obligate Buyer or any of its Affiliates to adopt, enter into or maintain any employee benefit plan or other compensatory

plan, program or arrangement at any time. Nothing in this Agreement shall diminish Buyer's right to change or terminate its policies regarding employment matters at any time or from time to time.

5.5 Post-Closing Access to Information; Communication with Governmental Authorities.

(a) Buyer and Seller acknowledge that prior to the end of the Post-Closing Period, Buyer and Seller may need access to information, documents or computer data in the control or possession of the other, including for the purpose of satisfying their obligations in connection with the Chapter 11 Cases, and Seller may need access to records that are a part of the Purchased Assets for purposes of concluding the Contemplated Transactions and for audits, investigations, compliance with applicable Law or an Order of the Bankruptcy Court and requests from Governmental Authorities, and the prosecution or defense of claims made by third parties. Accordingly, Buyer agrees that, except to the extent necessary to comply with any applicable Law or an Order of the Bankruptcy Court, it will timely make available to Seller and its respective Representatives the Books and Records and such information, documents and computer data as may be available relating to the Purchased Assets and the Business in respect of periods prior to the Effective Time and will permit Seller (or its Representatives) to make copies of such Books and Records, information, documents and computer data. Seller agrees that Seller will timely make available to Buyer and its Representatives such information, documents and computer data relating to the Purchased Assets and the Business in respect of periods prior to the Effective Time as may be in the possession of Seller or any Seller Party and will permit Buyer (or its Representatives) to make copies of such documents and information. Notwithstanding the foregoing, all disclosures of information shall be consistent with the Confidentiality Agreement, all common interest agreements, joint defense agreements, and any other confidentiality, clean room or nondisclosure agreements entered into among any of the Parties or their respective Affiliates. The Parties agree that the cost of compliance with this provision shall be governed by the Transition Services Agreement.

(b) Buyer shall assume all legal responsibility for, and shall preserve, the Books and Records (including, but not limited to, patient records) for the greater of: (i) seven (7) years from the date of such record; (ii) as may be required by applicable Law, including but not limited to, the statute of limitations governing the time period afforded to bring professional liability claims in Texas or as is necessary to administer the Chapter 11 Cases; or (iii) such longer period as may be required in connection with any known or threatened investigation or Proceeding, including any professional liability claims. Thereafter, Buyer may dispose of such Books and Records only after Buyer has given Seller ninety (90) days' prior written notice of such impending disposition and the opportunity of Seller to remove and retain such Books and Records as permitted by applicable Law.

(c) Buyer shall cooperate with Seller, on a timely basis and as reasonably requested by Seller, in connection with the provision of all data of the Business and other information required by Seller for reporting to the DNV for the remainder of the quarterly period in which the Contemplated Transactions have occurred.

(d) To the maximum extent permitted by applicable Law, if any Person requests or demands, by subpoena or otherwise, any documents relating to the Excluded Liabilities, including documents relating to the operations of the Business or ownership of any of the Purchased Assets prior to the Effective Time, then to the extent allowable by applicable Law, prior to any disclosure of such documents, Buyer shall notify Seller and provide Seller with the opportunity to object to, such request or demand.

(e) To the extent practicable under the circumstances, neither Seller nor Buyer, as applicable, will agree to participate in any substantive call, meeting or conference with any Governmental Authority, or any member of the staff of any Governmental Authority, in respect of any filing, Proceeding,

investigation (including any settlement of the investigation), litigation, or other inquiry related to the Contemplated Transactions, provided that such responding Party (1) provides reasonable advance notice of such meeting to any other Party and (2) provides any such other Party an opportunity to attend or participate and, where permitted, allow any other Party to participate.

5.6 Transition Patients. To compensate Seller for services rendered and medicine, drugs and supplies provided by the Hospitals up to the Transition Time with respect to patients who are admitted to the Hospitals prior to the Transition Time and whose care is reimbursed by any Government Program or Private Program but who are not discharged until after the Transition Time (such patients being referred to herein as the “**Transition Patients**” and services rendered to them being referred to herein as the “**Transition Patient Services**”), the Parties shall take the following actions:

(a) For Transition Patients for whom a cut-off billing for the period prior to the Effective Time (“**Interim Billing**”) is not accepted by the applicable Government Program or Private Program (the “**Non-Interim Billing Transition Patients**”), as soon as practicable after the date hereof, Seller shall deliver to Buyer a statement specifying the Non-Interim Billing Transition Patients and the expected reimbursement for each such Non-Interim Billing Transition Patient. Such statement shall also identify which Non-Interim Billing Transition Patients (i) are receiving medical care that is paid for, in whole or in part, by a Government Program or Private Program that pays on a diagnostic related group (“**DRG**”), case rate, or other similar basis and for whom the applicable Facility is paid on a per-claim basis (the “**DRG Transition Patients**”) and/or (ii) are receiving medical care that is paid for on a non-DRG basis (“**Non-DRG Transition Patients**”). Buyer shall be responsible for submitting such billings to the applicable Government Program or Private Program for the entire portion of each of the Non-Interim Billing Transition Patients’ respective stays.

(b) For Transition Patient Services provided to a DRG Transition Patient, upon receipt of payment, Seller shall be entitled to an amount equal to (i) the total DRG payment received by Buyer and Seller (including disproportionate share, uncompensated care, low volume adjustment, indirect medical education, outlier, and capital payments and any deposits, deductibles, copayments paid, whether received by Buyer or Seller), multiplied by a fraction, the numerator of which shall be the number of days prior to the Transition Time that the DRG Transition Patient was an inpatient at the applicable Hospital and the denominator of which shall be the total number of days that such DRG Transition Patient was an inpatient at such Hospital minus (ii) any deposits, deductibles or co-payments paid by or on behalf of the applicable DRG Transition Patient to Seller or any of Seller’s Affiliates prior to the Transition Time. Seller shall use commercially reasonable efforts to timely and accurately respond to all audit and other supplemental information requests related to the Seller Cost Reports.

(b) Upon Buyer's written request, Seller shall terminate the Hospitals' participation in any periodic interim payment program with Medicare effective as of the date hereof. If Buyer receives any Medicare Interim Payments from the Medicare program associated with the operations of the Hospitals relating solely to periods prior to the Transition Time, Buyer shall pay Seller an amount equal to such Medicare Interim Payment(s) received by Buyer within ten (10) Business Days after receipt. If Buyer receives any Medicare Interim Payments from the Medicare program associated with the operations of the Hospitals relating to the period commencing prior to and ending after the Transition Time, Buyer shall pay Seller within ten (10) Business Days after receipt an amount equal to the Medicare Interim Payment(s) actually received by Buyer for such period multiplied by a fraction, the numerator of which shall be the total number of days prior to the Transition Time and the denominator of which shall be the total number of days attributable to such Medicare Interim Payment(s). If Seller receives any Medicare Interim Payments from the Medicare program associated with the operations of the Hospitals relating solely to periods on or after the Transition Time, Seller shall pay Buyer within ten (10) Business Days after receipt of an amount equal to such Medicare Interim Payment(s) received by Seller. If Seller receives any Medicare Interim Payments from the Medicare program associated with the operations of the Hospitals relating to the periods commencing prior to and ending after the Transition Time, Seller shall pay Buyer within ten (10) Business Days after receipt an amount equal to the Medicare Interim Payment(s) actually received by Seller for such period multiplied by a fraction, the numerator of which shall be the total number of days after the Transition Time and the denominator of which shall be the total number of days attributable to such Medicare Interim Payment(s). It is the intent of the Parties that Buyer and Seller shall receive all third-party payments applicable to the period of time that the Hospitals are owned by the respective Parties.

(c) If Seller receives any amount from patients, third-party payors, group purchasing organizations or suppliers which, under the terms of this Agreement, belongs to Buyer, Seller shall remit within five (5) Business Days the full amount so received to Buyer. If Buyer receives any amount from patients, third-party payors, group purchasing organizations or suppliers which, under the terms of this Agreement, belongs to Seller, Buyer shall remit within five (5) Business Days the full amount so received to Seller.

(d) Subject to applicable Laws, Seller will reasonably cooperate with Buyer in providing pre-Effective Time patient data and any documents Buyer reasonably believes are necessary or appropriate for Buyer to file with respect to Medicaid disproportionate share hospital surveys, to the extent applicable in the jurisdiction of the Business for the fiscal periods prior to and after the Effective Time.

(e) Notwithstanding anything to the contrary in this Agreement, neither Buyer nor Seller shall be entitled to recover any of the respective payments due and owing under this Section 5.7 by means of setoff against any amount owed by any other Party.

(f) After the Effective Time, as reasonably requested by Seller, Buyer will cooperate with Seller in connection with Seller's collection of the accounts receivable that are among the Excluded Assets.

5.8 CMS Reporting.

(a) Buyer will cooperate with Seller in all reasonable respects in providing, in a timely and reasonable manner, documents or data that Seller reasonably believes are necessary or appropriate for Seller to file with respect to CMS Reporting for all CMS Program Performance Periods ending prior to the Effective Time. Buyer shall forward to Seller any and all correspondence from CMS relating to applicable CMS Reporting for such CMS Program Performance Periods within ten (10) Business Days after receipt by Buyer.

(b) Prior to the end of the Post-Closing Period, Seller shall (i) cooperate with Buyer in all reasonable respects in providing, in a timely and reasonable manner, pre-Effective Time documents or data that Buyer reasonably believes are necessary or appropriate for Buyer to file with respect to CMS Reporting for CMS Program Performance Periods in which the Effective Time occurs, and (ii) Seller shall forward to Buyer any and all correspondence from CMS relating to CMS Reporting for such CMS Program Performance Periods within ten (10) Business Days after receipt by Seller.

(c) With respect to non-claims-based payments arising under CMS Program Payments for the CMS Program Performance Period in which the Transition Time occurs, the Parties shall share any CMS Program Payments for such CMS Program Performance Period on a pro rata basis (based upon, with respect to Buyer, the number of days during such CMS Program Performance Period that immediately follow the Transition Time divided by the total number of days in such CMS Program Performance Period, and with respect to Seller, the number of days during such CMS Program Performance Period that immediately precede the Transition Time divided by the total number of days in such CMS Program Performance Period). If Buyer receives any such CMS Program Payments, Buyer shall remit to Seller, Seller's pro rata share of such CMS Program Payments within five (5) Business Days after receipt by Buyer. If Seller receives any such CMS Program Payments, Seller shall remit Buyer's pro rata share of such CMS Program Payments to Buyer within five (5) Business Days after receipt by Seller. To the extent Buyer or one of its Affiliates is required to refund or repay any portion of any CMS Program Payments, Seller will pay to Buyer an amount equal to Seller's pro rata portion of the required refund or repayment within five (5) Business Days after notice to Seller of such amount due.

(d) Notwithstanding anything to the contrary in this Agreement neither Buyer nor Seller shall be entitled to recover any of the respective payments due and owing under this Section 5.8 by means of setoff against any amount owed by any other Party.

5.9 Waiver Program Payments. Buyer and Seller shall prorate any payments received by the Facilities after the Transition Time under Medicaid waiver or Medicaid supplemental payment programs as follows:

(a) Any such amounts that correspond to Federal Fiscal Years or state fiscal years, as applicable, ending prior to the Transition Time will be paid to Seller;

(b) Any such amounts that correspond to Federal Fiscal Years or state fiscal years, as applicable, beginning on or after the Transition Time will be paid to Buyer; and

(c) Any such amounts that correspond to the Federal Fiscal Year or state fiscal year, as applicable, during which the Transition Time occurs will be allocated between Buyer and Seller on a pro rata basis (based upon the number of days during such year that Seller operates the Facilities and the number of days during such year that Buyer operates the Facilities).

5.10 License to Use Billing Information. Until the end of the Post-Closing Period and, to the extent allowed by applicable Law, Seller grants Buyer and its Affiliates a license to use Seller's billing identification information (which information shall include Seller's name, Medicare and related Medicaid and TRICARE provider numbers, federal employer identification number, and such other information as may be reasonably necessary) ("**Seller's Billing Information**") for purposes of submitting claims to Medicare, Medicaid and TRICARE for services provided at the Facilities by Buyer or any of its Affiliates after the Effective Time. To the extent allowed by applicable Law, each such license shall be effective (a) for purposes of Medicare, until CMS and the applicable CMS Medicare administrative contractor approve Buyer's or its Affiliate's Medicare change of ownership application and issue a tie-in notice and approval letter acknowledging that Buyer (or its Affiliate) may be reimbursed for claims submitted using Buyer's (or such Affiliate's) billing identification information; and (b) for purposes of Medicaid and any other Government Programs, until the applicable Medicaid program(s) or program agent(s) approves Buyer's (or its Affiliate's) provider enrollment application and/or approves assignment of the applicable provider Contract and issues the appropriate notice acknowledging that Buyer (or its Affiliate) may be reimbursed by the applicable Medicaid or other Government Program for claims submitted using Buyer's (or its Affiliate's) identification information. So long as such license remains in effect, Seller (or its Affiliates) shall not act to: (i) terminate any of their billing identification information applicable to the Business except as required by applicable Law; (ii) close any accounts used by Seller prior to the Effective Time for purposes of receiving reimbursement; or (iii) cancel any electronic funds transfer agreements with respect to Medicare, Medicaid, TRICARE or any other Government Program applicable to the Business. All accounts receivable and monies collected in the name of Buyer and/or its Affiliates or the Facilities for services provided by Buyer (and/or its Affiliates) after the Effective Time shall belong to Buyer (and/or its Affiliates). Buyer shall, and shall cause each of its Affiliates to, indemnify, defend and hold harmless Seller and Seller's Affiliates against, and reimburse Seller and Seller's Affiliates for, all Liabilities incurred by Seller and any Seller's Affiliate in connection with Seller's obligations under this Section 5.10.

5.11 Medical Staff. To ensure continuity of care in the community, Buyer agrees that the operations of each Hospital's medical staff will be substantially unchanged as a result of the consummation of the Contemplated Transactions, including each Hospital's medical staff members in good standing as of the Effective Time will maintain, to the extent consistent with criteria adopted at other Buyer or Buyer Affiliate facilities, medical staff privileges without change in medical staff status (e.g., active, courtesy) at each respective Hospital as of the Effective Time and each Hospital's medical staff officers in place

immediately prior to the Effective Time will remain, to the extent consistent with criteria adopted at other Buyer or Buyer Affiliate facilities, in their same positions as of the Effective Time, *provided* that Buyer shall not be obligated to continue to maintain any Physicians and other Practitioners whose medical staff membership and/or clinical privileges have been terminated or not renewed by a Buyer or Buyer Affiliate facility. As of and after the Effective Time, each Hospital's medical staff will be subject to each Hospital's medical staff by-laws then in effect to the extent consistent with applicable Law.

5.12 Cooperation on Compliance Matters. Until the end of the Post-Closing Period, if any compliance matter is identified by a Party, whether through internal audit or otherwise, for which another Party hereto may bear responsibility or exposure (a "**Compliance Matter**"), then such Party shall provide prompt written notice to such other Party. Because any such Compliance Matter may impact Buyer and Seller, the Parties acknowledge that both Buyer and Seller shall have a common interest in fully resolving all such Compliance Matters and cooperating in good faith to do so. To the extent necessary to preserve attorney client privilege and work product doctrine relating to the investigation or resolution of any Compliance Matter, the Parties agree that a common interest privilege shall exist with respect to any communications relating to the investigation and resolution of the Compliance Matter and, to the extent necessary and requested by any Party or its counsel, the Parties and their respective counsel shall enter into a written agreement to memorialize this common interest privilege existing among them relating to the Compliance Matter. The Parties will thereafter cooperate reasonably with each other in any internal investigations or audits and shall make available to the other, as reasonably requested, any and all relevant information and, further, shall provide personnel as may be reasonably necessary and appropriate for purposes of analyzing and resolving such Compliance Matter. In order to ensure the accuracy of any report of any Compliance Matter to a third party, the Parties agree that neither shall make any such report or disclosure to, or in respect of, any federally-funded or state-funded health care program, including Medicare, Medicaid, and TRICARE, or private third party payor or any other Governmental Authority with regulatory oversight with respect to any Compliance Matter which might give rise to Liability of the other Party without at least thirty (30) days' prior written notice to, and participation and approval of the report by, such other Party. All Parties agree to cooperate fully and in good faith as necessary in the resolution of all Compliance Matters, and Buyer and Seller shall each bear its own expenses in connection therewith.

5.13 Post-Closing Receipt of Assets or Excluded Assets.

(a) In addition to any misdirected payments referenced in Section 5.7, Section 5.8 or Section 5.9 to which Seller is entitled, any asset or any Liability, all other remittances and all mail and other communications that is an Excluded Asset or an Excluded Liability (i) pursuant to the terms of this Agreement or (ii) absent such agreement, as finally determined by the Bankruptcy Court pursuant to Section 8.2, and which comes into the possession, custody or control of Buyer (or its respective successors-in-interest, assigns or Affiliates) shall within five (5) Business Days following receipt be transferred, assigned or conveyed by Buyer (and its respective successors-in-interest, assigns and Affiliates) to Seller at Seller's cost. Until such transfer, assignment and conveyance, Buyer and its successors-in-interest, assigns and Affiliates, shall not have any right, title or interest in or obligation or responsibility with respect to such asset or Liability except that Buyer shall hold such asset in trust for the benefit of Seller. Buyer, and its successors-in-interest, assigns and Affiliates, shall have neither the right to offset amounts payable to Seller under this Section 5.13(a) against, nor the right to contest its obligation to transfer, assign and convey to Seller because of, outstanding claims, Liabilities or obligations asserted by Buyer against Seller.

(b) In addition to any misdirected payments referenced in Section 5.7, Section 5.8 or Section 5.9 to which Buyer is entitled, any asset or any Liability, all other remittances and all mail and other communications that is an Purchased Asset or an Assumed Liability (i) pursuant to the terms of this Agreement or (ii) absent such agreement, as finally determined by the Bankruptcy Court pursuant to Section 8.2, and which comes into the possession, custody or control of Seller (or its successors-in-interest, assigns

or Affiliates) shall within five (5) Business Days following receipt be transferred, assigned or conveyed by Seller (and its successors-in-interest, assigns and Affiliates) to Buyer at Buyer's cost. Until such transfer, assignment and conveyance, Seller and its successors-in-interest, assigns and Affiliates shall not have any right, title or interest in or obligation or responsibility with respect to such asset or Liability except that Seller shall hold such asset in trust for the benefit of Buyer. Seller or any Seller Affiliates and their respective successors-in-interest and assigns shall have neither the right to offset amounts payable to Buyer under this Section 5.13(b) against, nor the right to contest its obligation to transfer, assign and convey to Buyer because of, outstanding claims, Liabilities or obligations asserted by Seller against Buyer.

5.14 Closing Financials. Buyer shall cause the chief financial officer(s) of the Facilities to complete the standardized closing of Seller's financial records for the Business through the date hereof including, without limitation, the closing of general ledger account reconciliations in form and substance consistent with past practice (collectively, the "**Closing Financials**"). Buyer shall cause the chief financial officer(s) of the Facilities to use his or her good faith efforts to complete the Closing Financials by no later than the date which is thirty five (35) days after the date hereof. Seller shall reimburse Buyer for all reasonable, out-of-pocket and documented expenses of Buyer associated with the preparation of the Closing Financials. Such reimbursement shall occur no later than the date which is thirty (30) days after Buyer provides a written statement to Seller which details such charges and expenses.

5.15 Program Participation Assessments. The Parties acknowledge that Sellers are or may become liable for certain mandatory assessments, contributions, or expenditures to state and local government programs pertaining to the operation of the Hospitals (the "**Program Participation Assessments**"). With respect to such Program Participation Assessments, and subject to Sections 5.6, 5.7, 5.8, and 5.9, the Parties agree as follows:

(a) Buyer shall timely remit all Program Participation Assessments on behalf of the Hospitals.

(b) Contingent upon payment by Buyer of any Program Participation Assessments or expenditures to state and local government programs relating to Program Participation Assessments, Buyer shall be entitled to receive and retain all subsequent payments to be made in respect of the Hospitals as a result of Buyer's payment of such Program Participation Assessment, and Sellers acknowledge and agree that they are not entitled to any portion of such payments. In the event that Sellers receive any payments corresponding to a Program Participation Assessment that has been made by Buyer, Sellers hereby agree to promptly remit such amounts to Buyer.

6. SPECIFIC PERFORMANCE.

(a) The Parties agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. Accordingly, each Party agrees that, in the event of any breach or threatened breach by any other Party of any covenant or obligation contained in this Agreement, the non-breaching Party shall be entitled (in addition to any other equitable remedy that may be available to it) to obtain, without proof of actual damages, (i) a decree or other Order of specific performance to enforce the observance and performance of such covenant or obligation, and (ii) an injunction restraining such breach or threatened breach.

(b) Each Party acknowledges and agrees that (i) it will not oppose any equitable relief or equitable remedy referred to in this Section 6 on the grounds that any other remedy is available at law or in equity, and (ii) no Party will be required to obtain, furnish or post any bond or similar instrument in connection with or as a condition to obtaining any equitable relief or equitable remedy referred to in this

Section 6 (and it hereby irrevocably waives any right it may have to require the obtaining, furnishing or posting of any such bond or similar instrument).

7. TAX MATTERS.

7.1 Allocation of Purchase Price. If the Settlement Orders (or other document approved by the Bankruptcy Court) or any agreement associated therewith includes any tax treatment or tax reporting provisions relevant to the Contemplated Transactions, the Parties shall (and shall cause their Affiliates to) file all Tax Returns and otherwise report consistent with, and not take any position inconsistent with, such provisions. Subject to the foregoing sentence, if the Parties agree upon an allocation of consideration among the Purchased Assets in accordance with Section 1060 of the Code and the Treasury Regulations thereunder (and any other relevant provisions of the Code or any similar provisions of state or local Law, as appropriate), the Parties shall (and shall cause their Affiliates to) file all Tax Returns (including IRS Form 8594) and otherwise report consistent with, and not take any position inconsistent with, such agreed allocation, provided that (a) for the avoidance of doubt, the Parties shall not be required to agree to any such allocation, and (b) neither Party shall be unreasonably impeded in its ability and discretion to negotiate, compromise and/or settle any Tax audit, investigation, examination, claim or similar proceedings in connection with such allocation.

7.2 Cooperation. Following the Effective Time, each Party shall cooperate with the other Party in connection with the preparation of any Tax Returns, the defense of any audit, investigation, examination, claim or similar proceeding related to Taxes, or any other matters with respect to Taxes, shall make available to the other Party, as reasonably requested, all information, records or documents relating to Taxes with respect to the Purchased Assets or the Business for all periods, and shall preserve or cause to be preserved all such information, records and documents at least until the expiration of any applicable statute of limitations or extensions thereof; provided that the obligations of Seller or any Seller Party under this Section 7.2 will cease as of the date upon which Seller or such Seller Party ceases to exist under applicable law.

7.3 Transfer Taxes. All Transfer Taxes shall be paid by Buyer in accordance with Section 8.7 when due, and all necessary Tax Returns and other documentation with respect to Transfer Taxes shall be prepared and filed by Buyer. If Seller, any Seller Party, or any of their Affiliates is required to pay any Transfer Tax, Buyer shall promptly reimburse such Seller, Seller Party or Affiliate thereof for such amount.

8.2 Choice of Law; Venue.

(a) The Parties agree that all disagreements, disputes or claims arising out of or relating to this Agreement or the Contemplated Transactions shall be governed by and construed in accordance with the applicable Laws of the State of Delaware without giving effect to any choice or conflicts of law provision or rule thereof that would result in the application of the applicable Laws of any other jurisdiction other than the applicable Laws of the United States of America, where applicable.

(b) Without limiting any Party's right to appeal any Order of the Bankruptcy Court, (i) the Bankruptcy Court shall retain exclusive jurisdiction to enforce the terms of this Agreement and to decide any Claim (as defined below) which may arise or result from, or be connected with, this Agreement, any breach or default hereunder, or the Contemplated Transactions, and (ii) any and all Proceedings related to the foregoing shall be filed and maintained only in the Bankruptcy Court, and the Parties hereby consent to and submit to the jurisdiction and venue of the Bankruptcy Court and shall receive notices at such locations as indicated in Section 8.1; provided, however, upon the closing of the Chapter 11 Cases, the Parties agree to unconditionally and hereby irrevocably submit to the exclusive jurisdiction of the Court of Chancery of the State of Delaware sitting in Wilmington, Delaware (or if such court declines to exercise such jurisdiction in any appropriate state or federal court in the State of Delaware sitting in Wilmington, Delaware) over any action, arbitration, charge, claim, complaint, demand, dispute, litigation or Proceeding arising from or relating to this Agreement (a "Claim"), and the Parties hereto hereby irrevocably agree that all Claims shall be heard and determined in such court. The Parties hereby irrevocably waive, to the fullest extent permitted by applicable Law, any objection that they may now or hereafter have to the laying of

venue of any such dispute brought in such court or any defense of inconvenient forum for the maintenance of such dispute. The Parties hereto agree that a final judgment with respect to any such Claim shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by applicable Law.

8.3 Benefit; Assignment; Delegation. Subject to provisions herein to the contrary, this Agreement shall inure to the benefit of and be binding upon the Parties and their respective legal representatives, successors and permitted assigns and delegates. No Party may assign any of its rights hereunder or delegate any of its duties hereunder without the prior written consent of the other Parties; provided, however, that Buyer and Seller, without the prior consent of the other Parties, may assign any of their respective rights hereunder or delegate any of its duties hereunder to such Party's Affiliates (as applicable), or, for collateral security purposes, to Persons providing financing to such Party or its Affiliates, but in such event, each such Party shall be required to remain obligated hereunder in the same manner as if such assignment or delegation had not been effected.

8.4 Waiver of Jury Trial. EACH OF THE PARTIES HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATED TO THIS AGREEMENT OR THE CONTEMPLATED TRANSACTIONS.

8.5 Legal Advice and Reliance. Except as expressly provided in this Agreement, none of the Parties (nor any of the Parties' respective Representatives) has made or is making any representations to any other Party (or to any other Party's Representatives) concerning the consequences of the Contemplated Transactions under applicable Laws, including Tax-related Laws or under the Laws governing the Government Programs. Except for the representations and warranties made in this Agreement, each Party has relied solely upon the Tax, Government Program and other advice of its own Representatives engaged by such Party and not on any such advice provided by any other Party.

8.6 No Survival. Except for any covenant that by its terms is to be performed (in whole or in part) by any Party following the Effective Time (which covenants shall survive the Effective Time in accordance with their terms), none of the representations, warranties, or covenants of any Party set forth in this Agreement shall survive, and each of the same shall terminate and be of no further force or effect as of, the Effective Time.

8.7 Cost of Transaction; Legal Fees and Cost of Disputes. Except as otherwise provided herein, the Parties agree that, whether or not the Contemplated Transactions shall be consummated: (a) Seller will pay the fees, expenses and disbursements of Seller and its respective Representatives incurred in connection with the subject matter hereof and any amendments hereto, and (b) Buyer will pay (i) the fees, expenses and disbursements of Buyer and its Representatives incurred in connection with the subject matter hereof and any amendments hereto; (ii) the fees incurred in connection with the HSR filing; and (iii) all Transfer Taxes.

8.8 Severability. If any provision of this Agreement is held to be illegal, invalid or unenforceable under any present or future Law, and if the rights or obligations of Buyer or Seller under this Agreement will not be materially and adversely affected thereby, (a) such provision will be fully severable, (b) this Agreement will be construed and enforced as if such illegal, invalid or unenforceable provision had never comprised a part hereof, (c) the remaining provisions of this Agreement will remain in full force and effect and will not be affected by the illegal, invalid or unenforceable provision or by its severance herefrom, and (d) in lieu of such illegal, invalid or unenforceable provision, there will be added automatically as a part of this Agreement a legal, valid and enforceable provision as similar in terms to such illegal, invalid or unenforceable provision as may be possible.

8.9 No Inferences; Sophisticated Parties. Each Party acknowledges and agrees to the following: (a) all of the Parties are sophisticated and represented by experienced healthcare and transactional counsel in the negotiation and preparation of this Agreement; (b) this Agreement is the result of lengthy and extensive negotiations between the Parties and an equal amount of drafting by all Parties; (c) this Agreement embodies the justifiable expectations of sophisticated parties derived from arm's-length negotiations; and (d) no inference in favor of, or against, any Party shall be drawn from the fact that any portion of this Agreement has been drafted by or on behalf of such Party.

8.10 Divisions and Headings of this Agreement. The divisions of this Agreement into sections and subsections and the use of captions and headings in connection therewith are solely for convenience and shall have no legal effect in construing the provisions of this Agreement.

8.11 No Third-Party Beneficiaries. The terms and provisions of this Agreement are intended solely for the benefit of Buyer, Seller and the Seller Parties, and such parties' respective permitted successors, assigns, or delegates, and it is not the intention of the Parties to confer, and, this Agreement shall not confer, third-party beneficiary rights upon any other Person, including any employee or member of the medical staff of any Hospital.

8.12 Entire Agreement; Amendment. This Agreement (inclusive of Schedules), together with the other Transaction Documents, the Interim Management Agreement, and the Confidentiality Agreement and any other agreement which specifically references this Section 8.12, represent the entire agreement between the Parties with respect to the subject matter of this Agreement and supersede all prior or contemporaneous oral or written understandings, negotiations, letters of intent or agreements between the Parties. This Section 8.12 shall be deemed a "merger" clause under Delaware Law, and this Agreement (together with the other Transaction Documents and the Confidentiality Agreement) is intended as a complete integration of the agreement of the Parties. No modifications of, amendments to, or waivers of any rights or duties under this Agreement shall be valid or enforceable unless and until made in writing and signed by all Parties.

8.13 Multiple Counterparts. This Agreement may be executed in any number of counterparts, each and all of which shall be deemed an original and all of which together shall constitute but one and the same instrument. The facsimile signature of any Party or other Person to this Agreement or any other Transaction Document or a PDF copy of the signature of any Party or other Person to this Agreement or any other Transaction Document delivered by electronic mail for purposes of execution or otherwise, is to be considered to have the same binding effect as the delivery of an original signature on an original contract.

8.14 Non-Recourse. All claims, obligations, Liabilities, actions or causes of action (whether in Contract or in tort, in law or in equity, or granted by statute) that may be based upon, in respect of, arise under, out or by reason of, be connected with, or relate in any manner to this Agreement, or the negotiation, execution, or performance of this Agreement (including any representation or warranty made in, in connection with, or as an inducement to, this Agreement), may be made only against (and are expressly limited to) the entities that are expressly identified as parties hereto in the preamble to this Agreement or, if applicable, their successors and assigns ("Contracting Parties"). No Person who is not a Contracting Party, including any past, present or future director, officer, employee, incorporator, member, partner, manager, stockholder, Affiliate, agent, consultant, attorney, accountants, financial advisor or other representative of, and any lender to, any Contracting Party, or any director, officer, employee, incorporator, member, partner, manager, stockholder, Affiliate, agent, consultant, attorney, accountants, financial advisor or other representative of, and any lender to, any of the foregoing ("Nonparty Affiliates"), shall have any Liability (whether in Contract or in tort, in law or in equity, or granted by statute) for any claims, causes of action, obligations, or other Liabilities arising under, out of, in connection with, or related in any manner to this Agreement or based on, in respect of, or by reason of this Agreement or their negotiation, execution,

performance, or breach; and, to the maximum extent permitted by Law, each Contracting Party hereby waives and releases all such claims, causes of action, obligations and other Liabilities against any such Nonparty Affiliates. It is expressly agreed that the Nonparty Affiliates to whom this Section 8.14 applies shall be third-party beneficiaries of this Section 8.14.
